RE: Account of Harry Neilson
N.W. 1/4 6-4-5-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to \$37.45, was advanced to Harry Neilson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 37.45	\$ 75.78	\$ 113.23

Patent was issued in the name of Harry Neilson for the N.W. 1/4 6-4-5-W.4th on the 14th of June, 1919.

According to an Abstract of Title dated the 1st of February, 1956, this quarter section of land now stands in the name of the Minister of Municipal Affairs of the Province of Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

The debtor named in this land and taxes were allowed to accumulate with the result that title was taken by the Municipality in the year 1952 through proceedings under the Tax Recovery Act.

The Municipality has now disposed of this parcel by sale and the proceeds to date were more than sufficient to liquidate indebtedness outstanding thereon.

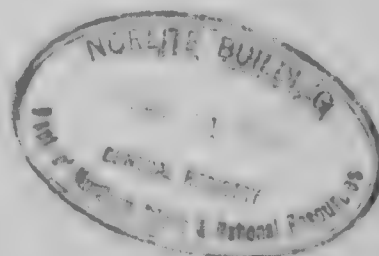

There has been made available to this office the sum of Three hundred and seventy-eight dollars and fifty-two cents (\$378.52) representing settlement in full of Joint Relief Advances outstanding with respect to this land in the name of J. P. Hansen.

It would be appreciated if we could have your authority for removal of the relative lien as soon as remittance in this connection comes to your hand.

Please see letter hereunder from Messrs.
Bernard, Bernard & Goddall with reference to two
liens for \$170.50 said to be wrongfully registered
against the land above described.

In this connection I beg to state that I
have no record of liens for these amounts being
given by Mr. Hugh Adams on the security of this
land.

I have, however, liens for \$127.50 and
\$43.00 making a total of \$170.50 given by one Hugh
Adams on the security of the N.E. 15-31-8-W4th. The
second line for \$170.50 is evidently a duplicate

Sir:

Re. No. 15-31-8, W4th

In July last an Inspector visited your land, and reported that you had 130 acres in wheat, and 20 acres in oats. Although you have appeared to have suffered a slight damage by hail, it is considered you should at least be in a position to considerably reduce the indebtedness representing seed grain advances made to you in 1915. I would ask you to please inform me at an early date what you can do in this connection.

Kindly find herewith copies of P. C. #41/200 dated the 28th of January last ratifying the report of the Adjustment Board of Alberta wherein it was recommended that upon payment of \$179.37 the necessary action be taken to clear title and write off the unpaid balance.

The stipulated payment with accrued interest has now been received and credited and the account closed out as per statement marked on file.

The recommendations have been complied with in so far as the interests of the Dominion are concerned.

May I direct your attention to Abstract marked hereunder, showing the liens registered as set forth in the Order-in-Council.

After action has been taken be good enough to return files in order that the registrations of \$170.50, \$127.50 and \$43.00 may be removed as same have evidently been registered in error, the said liens having been given by one Hugh Adams against the W.L. 15.

Re: Account of Hugh Adams,
No 15-31-8-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Hugh Adams received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$518.53 of which \$170.50 is principal and \$348.03 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the seed grain advisory board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Re: N^o 15-31-8-W.4th

We wish to thank you for your letter of the 10th of October, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in the seed grain account of Hugh Adams charged against the above land.

The Seed Grain Advisory Board has given very sympathetic consideration to this case and it is felt that in view of the exceptional circumstances this debt should be cancelled. The Board's recommendation is presently before the Governor General in Council and as soon as the necessary authority has been received, the Registrar, Land Titles Office, Calgary, Alberta, will be instructed to take the necessary steps to discharge our liens.

Re: Account of Hugh Adams,
No 15-31-8-WthM.

Mr. Hugh Adams died on July 10th this year, and his widow has requested that I deal with the matters outlined in your letter of January 16th, 1956, as I am acting on her behalf in the settlement of her husband's affairs.

The land this couple has farmed all of these years is situate in the drought area, and has been subject to recurrent periods of drought and crop failure. It took them a lifetime of hard work to accumulate enough to take care of them in their old age, and, now that Mr. Adams has gone, this must last Mrs. Adams whose present age is 79. She was operated on for cancer two years ago, and, although this has not appeared again, there is always, of course, the possibility that it might, and, if it did, it could mean a very expensive illness.

In all of the above circumstances I would ask that your Board give consideration to the possibility of accepting the principal sum of \$170.50 in full settlement of this account.

Re: Account of Hugh Adams
N^o 15-31-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to \$170.50 were advanced to Hugh Adams on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$170.50	\$348.03	\$518.53

Patent was issued in the name of Hugh Adams for the N.E. $\frac{1}{4}$ 15-31-8-W.4th on the 8th of October, 1913, and for the N.W. $\frac{1}{4}$ 15-31-8-W.4th in 1928 subject to the 1915 liens.

This half Section of land is of very low assessed value (\$480.00) and has never been revenue producing sufficiently to enable the repayment of the liens.

In 1929 the homestead inspector in a report described the land as sandy with no buildings on the property.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir,

I obtained a loan on my Homestead, N.E. 1/4 Sec 14, Tp 33, R. 7 West of 4th W., from the Canadian Life Insurance Company of Calgary, Alta. in 1913.

I have not paid anything on it and on the 22 inst. said to be paid to sell my Homestead.

I got 100 acres to put in crop this year and if we get a crop can pay my debts to said Co. and also to the government in the fall.

It would be a great help to me if I could keep my home as I am a poor man and have family with 4 children all small.

Hoping that you will let me know if anything can be done.

I remain yours truly

Fred Senko.

Dear Sir:

RE: Fred Senko - Mortgage #11725.
N. E. 14 - 33 - 7 - W.4th.

Referring to your letters of the 27th of September and the 14th of October 1916, reference #1881556.

In your letter of the 14th of October 1916, it was stated that an effort was being made to collect the advances made to Mr. Senko. He has been allowed to remain in possession of the property until quite recently when we were forced to cancel our agreement of sale. We had to foreclose on our mortgage in 1916, and we re-sold him the land under agreement of sale, which agreement we have had to cancel quite recently.

We notice by the Abstract of Title that a Seed Grain Lien and Relief Advance are still charged against the property. Your Department has no doubt been able to make a collection on account of each of these advances

by this time, and if so we would like to know what further steps the Department proposes taking in the matter. We also understand that the advances were made against the east half, and as we are only interested in the north-east quarter we would like a statement showing the amount properly chargeable to that quarter after credits have been given for the amounts collected.

RE: N.E. 14 - 33 - 7 - 14th.

Replying to your letter of the 10th inst., file #68343 we are now the registered owners of this property through Foreclosure proceedings, but we do not consider that we should be expected to pay for seed grain or any other similar advances.

We extended much consideration to the mortgagor and our loss on this property is considerable. The seed grain advances should have been collected from crops grown on the land subsequent to the seed grain advance. Senko, our original mortgagor to whom the seed grain advances were made, was in occupation of the property after we foreclosed under an Agreement for Sale, and we believe he is still in the district, and it would seem to us, that if he is, that the charges should all be debited against land which he is occupying. He has now left this property and we are not prepared to

The licensee's 1915 seed grain application declared 75 acres wherein he mentioned the East half 14-33-7, W. 4th Meridian, and received 74 bushels of wheat and 66 bushels of oats. In his 1919 seed grain application he declared in readiness 60 acres on the S.E. $\frac{1}{4}$ 14-33-7, W. 4th M., for which he received 150 bushels of oats. In his 1920 seed grain application he declared in readiness 120 acres on the S.E. $\frac{1}{4}$ 14-33-7, W. 4th M., for which he received 80 bushels of wheat and 100 bushels of oats.

PROVINCIAL & FEDERAL

50-50 basis.

This man, Senko, received from the Municipal District of Wiste No. 303 Relief valued at \$72.25 bearing interest at 7% from the 14th January, 1920. In connection with this indebtedness there is no record of this Department having paid anything on the account.

SECURITY

N.E. $\frac{1}{4}$ 14-33-7, W. 4th M.

The licensee's patented homestead issued in his name under date of the 5th March, 1913, and on referring to copy of Abstract of Title in connection with this quarter bearing date the 8th April, 1924, it indicates that title thereto was then vested to the Canada Life Assurance Company since the 6th July, 1916, subject to the registration of the 1915 seed grain under date of the 29th March, 1916, and fodder and relief liens registered under date of the 17th September, 1916. From further evidence on file it appears that the Department was advised in March 1928 that the Municipal District of Wiste had taken title to this quarter. There is no Homestead Inspector's report on file.

S.E. $\frac{1}{4}$ 14-33-7, W. 4th M.

The licensee's pre-emption entry for which was duly cancelled on the 1st April, 1924, and apparently still vacant. There is no Homestead Inspector's report in connection with same.

Mr. W. Loree, Acting Director of the Debt Adjustment Act, Calgary, Alberta, made representations in connection with the M.E. 14-33-7, V.4th M., under date of the 13th September last, under reference D.M.D.303-12, to the effect that this property had been acquired by the Municipal District of Wiste No. 303, who sold it to one George Letniak on the understanding that he assume liability of the Dominion liens registered against it, and he has applied for an adjustment of these liens.

The liens executed by Fred Senko, the licensee, covering the advances in question were given on the security of the S.E. 14-33-7, V.4th M.

N.E. 1 of Sec. 14 Tp. 33 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re H.E. 1. 14-35-7-W. 4th Mer.
Fred Senko.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens now registered against the H.E. 1. 14-35-7-W. 4th Mer., be adjusted at the sum of \$100.00, and that upon payment of this amount by the present owner of the land George Letniak, that the said liens be discharged, and the balances remaining unpaid be written off.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated January 21st, 1929, and states in support of the recommendation:-

1. That prior to the advances being made, the debtor Fred Senko, mortgaged the said land to the Canada Life Assurance Company.
2. That the Mortgagees foreclosed upon their security, but at a later date, owing to the low value of the land, allowed the land to revert to the Taxing Authorities, under the Tax Recovery Act.
3. That after holding the land for some time, the Taxing Authorities sold same to George Letniak, for the sum of \$184.00, payable over a series of years, the purchaser to assume the liability for the Dominion Liens.
4. That the land is poor and has very little value, and that information supplied to the Board shows that the total value of the said quarter section does not exceed the sum of \$280.00.
5. That having in view all the conditions prevailing a fair amount to be assumed by the present owner for the discharge of the said liens is the sum of \$100.00, which is approximately the difference between the amount actually paid by the purchaser for the land and the approximate value thereof.

Chairman, Seed Grain Adjustment Board,
EDMONTON, Alberta,

Dear Sir:-

Re: Fred Senko - NE $\frac{1}{2}$ 14-33-7-W4th.
Dominion Liens.

Fred Senko obtained the following advances from
the Department of the Interior:-

1916	Relief.....	\$86.00
1915	Fodder.....	23.80
1915	Seed Grain.....	167.10
1919	Seed Grain.....	165.00
1920	Seed Grain.....	230.00

Repayments amounting to \$84.89 have been received
on this account leaving outstanding as at November 30th.
1928 a balance of \$977.40. ✓

Liens for these advances were registered on title
to the above described property, of which the debtor was
then registered owner. Later the Canada Life Assuranced
Company obtained title as a result of foreclosure proceedings
which left only liens for the 1915 and 1916 advances of
\$167.10, \$23.80 and \$86.00 registered.

As a result of proceedings under the Tax Recovery
Act 1922 the Municipal District of Wiste No.303 have now
acquired title to the property. They have sold it for
\$184.00, payable on terms to one George Letniak of Loyalist,
Alberta, who has agreed, as between himself and the Municipal
District, to assume liability for the Dominion liens.

He has applied for an adjustment of the indebt-
edness.

21st. January, 1929.

The land is described as sandy, rocky and rolling; 120 acres fit for cultivation and the balance pot holes. It is situated in a sparsely populated district and is of very low value. From the fact that the Canada Life Assurance Company, after obtaining title, did not consider it worth while to keep the taxes paid, this may be safely inferred.

Apparently the purchaser is relying on the proceeds of his farming operations on this land to obtain sufficient monies to pay the balance of the purchase price and the consideration demanded for release of the Dominion liens, and will be unable to make the necessary payments until next Fall.

I therefore recommend that the Dominion liens be released from title to the above described property upon payment by Letniak of the sum of \$100.00, with interest at the rate of seven per centum per annum from the date on which he is notified of the decision of the Board to the date of payment.

In my opinion the total of this sum and of the purchase price will equal, if it does not exceed, the value of the land.

The Department of the Interior have reported that the indebtedness also forms a charge on SE $\frac{1}{4}$ 14-33-7-W4th, the debtor's cancelled pre-emption, now vacant Crown land.

As this land is of low value and is situated in a dry and sparsely settled neighborhood, it is considered that the retention of this indebtedness must have a deterrent effect on prospective entrants. This would appear to be particularly the case when it is borne in mind that the previous entrant, starting with no such liability against him, failed to such an extent as to lose both his homestead and pre-emption.

Moreover, if any new entrant assumed liability for any portion of this seed grain, fodder and relief indebtedness in addition to undertaking the expenditure of monies and labour in performance of homestead duties, it would render his acquisition of title to the property an uneconomical proposition.

It is therefore recommended that no portion of this indebtedness be retained as a charge against SE $\frac{1}{4}$ 14-33-7-W4th.

Fred Senko has left the neighborhood for parts unknown and apparently the Department have lost touch with him, since his departure.

There is no prospect of collecting from him and it is therefore recommended that, after receipts of the amount apportioned to NE $\frac{1}{2}$ 14-33-7-W4th, the balance of this man's indebtedness be written off by the Department of the Interior.

Acting Director,.

Sir,-

Re - Fred Senko.

E.L. 14-35-7-4.

Your Ref. Board Order No. 540.

In this case kindly be referred to the report and recommendation of the Adjustment Board under dates of January 21st and April 17th last in connection with which it has been considered advisable to direct attention to the fact that there is apparently indebtedness in the Joint right of the Province and the Dominion by way of a Lien for \$72.25 dated January 14th, 1920, which was mentioned in the departmental statement dated October 24th last referring this case, and which has not been given consideration by the Board.

I would also advise that under date of April 2nd last Mr. Senko wrote this office from Altaville, Alberta, requesting authority to make a second homestead entry, and although there is no record of his yet having done so it is thought that this information may have some influence on the recommendation of the Board as regards writing off any balances.

I would, therefore, request that you kindly direct the Board's attention to the omission of the Joint Provincial and federal indebtedness from their recommendation, and to the additional information as regards the Licensee's evident intention to acquire second homestead.

Re. S. 1/4, 14-33-7-W. 4th. Mer., Fred Senko.

Supplementary to Recommendation No. 540, dated
April 17th. 1929.

The Seed Grain and Relief Adjustment Board appointed under order P. C. 2200, hereby recommends that the Joint Relief Liens, charged against the said land for advances made to Fred Senko, by the Municipal District of Wiste No. 303, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated 1st. November 1929, which report gives full details of all liens registered against the said land and states in support of the recommendation:

1. Under recommendation No. 540, it was provided the sum of \$100.00 should be held as a charge against the N. E. 1/4, 14-33-7-W. 4th. Mer., for Federal Advances made to the debtor Fred Senko and that the present beneficial owner of said land be required to pay this amount before he could title the land.
2. That after making the said report and recommendation it was brought to the attention of the Board that the said land was also encumbered by a Joint Relief Lien for an advance made to the debtor Fred Senko by the Municipal District of Wiste No. 303.
3. That a total value of each quarter section does not exceed the sum of \$280.00, and that the price paid by the present beneficial owner George Letniak, and to be paid by him for the N. E. 1/4, 14-33-7-W. 4th. Mer., represents the full actual value of the said land, and nothing is available to apply on account of the Joint Relief Liens.
4. That the S. E. 1/4, 14-33-7-W. 4th. Mer., was the debtor's pre-emption, which is now vacant Crown land, and that the value thereof is so low that it is not desirable that any portion of the liability be retained against this quarter section.

That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore confirms the Recommendation No. 240, dated April 17th, 1929, dealing with the Dominion Liens, and recommends further that all Joint Relief Liens, charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

E. J. Treanor

Chairman, Food Grain & Relief Adjustment Board.

A. B. Macpherson

Member, Food Grain & Relief Adjustment Board.

The Honorable C. Stewart,
Minister of the Interior,
Ottawa, Ontario.

The Tax Consolidation Board, hereby recommends that the liens charged against the E. & J. 14-33-7-W. 4th Mer., for advances made to Fred Senko, by the Municipal District of Wiste No. 303, be unconditionally discharged.

The Board submits in support of this recommendation:-

1. That title to the W.E. & J. 14-33-7-W. 4th Mer., passed to the Municipal District of Wiste No. 303, under Tax Recovery Proceedings.
2. That the title issued to the Taxing Authority was subject to Dominion Liens for advances made to the debtor Fred Senko.
3. That after holding the land for some time the Taxing Authority sold same to George Latniak for the sum of \$184.00, the purchaser to assume the liability for the Dominion Liens.
4. That the purchaser applied to the Board for an adjustment of the Dominion Liens, and as it was established that the fair actual value of the land would not exceed the sum of \$200.00, the Board recommended, under date of April 17th, 1929, by Recommendation No. 540, that the present beneficial owner of this quarter section be required to pay the sum of \$100.00 for the discharge of the Dominion Liens.
5. That there is no equity in this quarter section for the retirement of the Joint Relief Liens.
6. That the liens were also charged against the E. & J. 14-33-7-W. 4th Mer., the debtor's pre-emption, entry to which was cancelled and which is now vacant Crown land.
7. That it is not desirable that any portion of the advances made to the original debtor be retained as a charge against this quarter section.
8. That there is no possibility of making any collection from the debtor under his personal covenant, as he has left the Country and all trace of him has been lost.

The Board therefore recommends that the liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Wiste No. 303, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

By Board Order No. 140 you recommended that the above named Lieutenant be discharged from the Department of the Interior, and that he be discharged. I, therefore, recommend that a supplementary Board order a similar recommendation be made that no portion of the Joint Provincial-Federal matter.

The Tax Consolidation Board, hereby recommends that the liens charged against the S. 1, 14-33-7-W. 4th Mer., for advances made to Fred Senko, by the Municipal District of Wiete No. 303, be unconditionally discharged.

The Board submits in support of this recommendation:-

1. That title to the S. 1, 14-33-7-W. 4th Mer., passed to the Municipal District of Wiete No. 303, under Tax Recovery Proceedings.
2. That the title issued to the Taxing Authority was subject to Dominion Liens for advances made to the debtor Fred Senko.
3. That after holding the land for some time the Taxing Authority sold same to George Latniak for the sum of \$184.00, the purchaser to assume the liability for the Dominion Liens.
4. That the purchaser applied to the Board for an adjustment of the Dominion Liens, and as it was established that the fair actual value of the land would not exceed the sum of \$200.00, the Board recommended, under date of April 17th, 1929, by Recommendation No. 540, that the present beneficial owner of this quarter section be required to pay the sum of \$100.00 for the discharge of the Dominion Liens.
5. That there is no equity in this quarter section for the retirement of the Joint Relief Liens.
6. That the liens were also charged against the S. 1, 14-33-7-W. 4th Mer., the debtor's pre-emption, entry to which was cancelled and which is now vacant Crown land.
7. That it is not desirable that any portion of the advances made to the original debtor be retained as a charge against this quarter section.
8. That there is no possibility of making any collection from the debtor under his personal covenant, as he has left the Country and all trace of him has been lost.

The Board therefore recommends that the liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Wiste No. 303, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:-

Re: Fred Senko - S.E. 1-14-33-7-W.4th.
Dominion and Municipal Liens.

I would refer you to my report on this man's indebtedness dated January 21, 1929, and to the order of the Board No. 540, which was made on April 17, 1929 as a result.

The Commissioner of Dominion Lands has directed your attention to the fact that I omitted from my report a joint Provincial-Federal lien for \$72.25, which was taken to cover an advance to this debtor on January 14, 1920, and to the fact that since the date of my original report the debtor had himself written to the Department of the Interior requesting authority to make a second homestead entry. In view of the omission of the joint Provincial-Federal lien and of the new information regarding the whereabouts of the debtor the Commissioner of Dominion Lands requested that your previous recommendation be re-considered.

I have secured a statement of the indebtedness under the joint Provincial-Federal relief lien from the Secretary-Treasurer of the Municipal District of Wiste No. 303 by whom the advance was made. It would appear that the indebtedness is as follows:-

Relief -	January 14, 1920	\$72.25
Interest to December 31, 1928		45.31
		<u>\$117.56</u>

As security a lien is held against the S.E. 1-14-33-7-W.4th, for which the debtor held preemption entry. His entry has been cancelled and the land is now vacant.

By Board Order No. 540 you recommended that the liens for this man's indebtedness to the Department of the Interior, which were chargeable against this property, be no longer retained against it, and that they be discharged. I, therefore, recommend that by a supplementary Board order a similar recommendation be made that no portion of the joint Provincial-Federal relief lien

E.J.Fream, Esq. -2-

be retained as a charge against this quarter section.

In a report dated October 28th, 1929, Homestead Inspector J.Nurcombe has expressed the opinion that there is no likelihood of collection from the debtor. I, therefore, recommend that his account to the Municipal District of Wiste No.303 in respect of the joint Provincial-Federal lien advance be written off as uncollectable both insofar as it affects Senko's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

I also endorse the recommendation made in the last paragraph of my report to you of January 21, 1929, that the balance of this man's indebtedness to the Department of the Interior, after receipt of the amount apportioned to the N.E.1-14-33-7-W.4, be written off as uncollectable.

Yours truly,

ELJ/AT.

Re. E. 4, 14-33-7-W. 4th. Mer., Fred Senko.

Supplementary to Recommendation No. 540, dated
April 17th. 1929.

The Seed Grain and Relief Adjustment Board appointed under order P. C. 2200, hereby recommends that the Joint Relief Liens, charged against the said land for advances made to Fred Senko, by the Municipal District of Wiste No. 303, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated 1st. November 1929, which report gives full details of all liens registered against the said land and states in support of the recommendation:

1. Under recommendation No. 540, it was provided the sum of \$100.00 should be held as a charge against the N. E. 4, 14-33-7-W. 4th. Mer., for Federal Advances made to the debtor Fred Senko, and that the present beneficial owner of said land be required to pay this amount before he secured title thereto.
2. That after making the said report and recommendation it was brought to the attention of the Board that the said land was also encumbered by a Joint Relief Lien for an advance made to the debtor Fred Senko by the Municipal District of Wiste No. 303.
3. That a total value of each quarter section does not exceed the sum of \$280.00, and that the price paid by the present beneficial owner George Letniak, and to be paid by him for the N. E. 4, 14-33-7-W. 4th. Mer., represents the full actual value of the said land, and nothing is available to apply on account of the Joint Relief Liens.
4. That the S. E. 4, 14-33-7-W. 4th. Mer., was the debtor's pre-emption, which is now vacant Crown Land, and that the value thereof is so low that it is not desirable that any portion of the liability be retained against this quarter section.

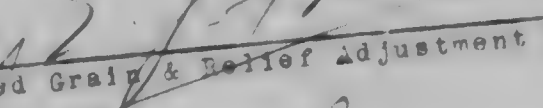

5471912

5471920

5. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore confirms the Recommendation No. 540, dated April 17th, 1929, dealing with the Dominion Liens, and recommends further that all Joint Relief Liens, charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Honorable C. Stewart,
Minister of the Interior,

The Tax Consolidation Board, hereby recommends that the liens charged against the R. 1, 14-33-7-W. 4th Mer., for advances made to Fred Senke, by the Municipal District of Wiste No. 303, be unconditionally discharged.

The Board submits in support of this recommendation:-

1. That title to the R. 1, 14-33-7-W. 4th Mer., passed to the Municipal District of Wiste No. 303, under Tax Recovery Proceedings.
2. That the title issued to the Taxing Authority was subject to Dominion Liens for advances made to the debtor Fred Senke.
3. That after holding the land for some time the Taxing Authority sold same to George Latniak for the sum of \$184.00, the purchaser to assume the liability for the Dominion Liens.
4. That the purchaser applied to the Board for an adjustment of the Dominion Liens, and as it was established that the fair actual value of the land would not exceed the sum of \$280.00, the Board recommended, under date of April 17th, 1923, by Recommendation No. 340, that the present beneficial owner of this quarter section be required to pay the sum of \$100.00 for the discharge of the Dominion Liens.
5. That there is no equity in this quarter section for the retirement of the Joint Relief Liens.
6. That the liens were also charged against the R. 1, 14-33-7-W. 4th Mer., the debtor's pre-emption, entry to which was cancelled and which is now vacant Crown land.
7. That it is not desirable that any portion of the advances made to the original debtor be retained as a charge against this quarter section.
8. That there is no possibility of making any collection from the debtor under his personal covenant, as he has left the Country and all trace of him has been lost.

The Board therefore recommends that the liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The

The Board also recommends that the Municipal District of Wiste No. 303, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Chairman, Tax Consolidation Board.

The Honorable H. G. Reid,
Provincial Treasurer,
Government Buildings,
Edmonton, Alberta.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to recommend that under and by virtue of the provisions of Section 1 of Chapter 51, 17 George V., approval be given to the attached reports dated April 17th, 1929 & 14th January, 1930, of the Committee appointed by Your Excellency in accordance with the said Act; and that when the recommendations of the said Committee have been complied with, the necessary action be taken to implement the said recommendations.

With reference to your communication of the 22nd ultimo I beg to state that the relief lien for \$72.75 dated the 14th January, 1920, was a relief loss.

The Board therefore confirm a recommendation No. 540 dated April 17th, 1920, dealing with the Dominion liens and recommend therefore that all Joint relief liens charged against the said land be discharged and the total amount payable thereon be written off as uncollectable.

Dear Sir:

Re: Fred Senko.
E. 1/2 13-33-7-W.4th.
Your files 1991592
and 1991556.

In connection with the above named man's indebtedness to your Department, Board Orders No. 540 and 2193 recommended that, after the application of the sum of \$100.00, which is to be paid by one, Letniak, the lien security be discharged from the N.E. 14-33-7-W.4th.

It is further recommended that the liens be discharged as affecting the S.E. 14-33-7-W.4th without consideration.

It is further recommended in both Board Orders that the remaining unpaid balance of the Senko indebtedness to your Department be written off as uncollectible. The reason for the writing off of the unpaid balance is that a homestead inspector's report declares that there is no probability of collecting anything from the debtor.

Through the medium of interlocking land sales by the Department of Municipal Affairs, it has come to my attention that a certain parcel of land has been sold by the Department, and an adjustment required in connection with Provincial liens. On obtaining search of this parcel referred to, which is the S.W. 20-34-2-W.4th, I find that the purchaser is Fred Senko. Senko has paid the full amount of the purchase price, \$500.00, and the Department delivered to him transfer of title free of all encumbrance. When title to this parcel became vested in Senko's name, the Registrar at Calgary immediately registered thereon the Dominion liens which are carried in the general register, and which were originally registered on title to the N.E. of 14-35-8-4.

Senko is, at the present time, negotiating with the Department of Municipal Affairs, for the purchase of two additional 1/4 sections. The purchase price of one is in the proffered sum of \$800.00, and of the other \$300.00. It would, therefore, appear that, despite the recommendation contained in the two Board Orders above referred to, Senko's indebtedness to your Department should not be

written off as uncollectible, but that, rather, Senko should be induced or forced to liquidate his indebtedness, by payment of the account in full or by payment of such sum as may be recommended by the Board in the way of compromise.

In connection with the S.E. 14-35-7-W.4th, Senko received a relief advance from the Municipal District of Wiste No. 303. This advance has caused a certain amount of correspondence and confusion. It appears that the Municipal District did not, at any time, receive any monies from the Federal Government or from the Provincial Government for the purpose of issuing relief advances. The District did, however, receive a large sum, in excess of \$20,000.00, from the Provincial Government for the purpose of issuing seed grain advances. Your Department have no record of ever having issued an advance in connection with the Municipal relief advance, and as the Province has not made any advance in this connection, if the Municipal District loss was to be refunded to them it would become necessary that the funds for such purpose would have to be paid by special warrant. This is, in my opinion, a very undesirable action to contemplate. I, therefore, approached the Municipal District Council with the suggestion that the loss in connection with this relief advance be considered as a seed grain advance loss. This the Council was pleased to accede to.

There is not even a slight doubt in my mind that the Municipal District did actually issue this relief advance from their seed grain funds, and, in as much as there will be an adjustment required to write off some several thousand dollars of funds unaccounted for, I consider it as being only just that this account be considered as part of the seed grain advance and any loss entailed in its connection be credited to the seed grain account as owed by the Municipal District to the Province.

The foregoing explanation will be required to be referred to at some later date as this account will not be closed as yet, despite the recommendation as contained in Board Order 2193.

I have requested the Municipal District Secretary-Treasurer to use every endeavor to secure payment of the account from Senko, or, as an alternative, to induce Senko to submit an application for a compromised adjustment.

Senko is farming on his purchased land just some forty miles from the Municipal District Secretary's office. Senko's address is Altario, Alberta, and his farm is approximately $\frac{1}{2}$ mile distance from the village.

I would suggest that your Department exert some pressure on Senko to induce him to submit a statement in respect of his intention in regard to this account. I do not consider it advisable that he be too greatly embarrassed in his attempts at re-establishment but I

555223

- 3 -

consider it as being justly due other debtor's that Senko be not allowed to deliberately avoid his responsibility in the matter. He has been written to on several occasions by the Director of the Debt Adjustment Act and he has consistently refused to acknowledge communications addressed to him by that office.

Yours truly,

Wm. Hewlett.
Secretary.

any of the Liens nor has Senko been advised of the closing out of the account.

I would now direct attention to a communication immediately hereunder from the Secretary of the Alberta Adjustment Board the salient points of which are "Fred Senko the License has now been located on the S.W. 1/4 20-34-2-W.4th Meridian which he has purchased from the Department of Municipal Affairs. He has paid the purchased price of \$500.00 in full, and the Department of Municipal Affairs has transferred title to him. On title vesting in Senko's name the Registrar at Calgary recorded thereon the Dominion Liens carried in his name in the Seed Grain Docket" (the 1915 Liens).

"Fred Senko is at the present time negotiating with the Department of Municipal Affairs for the purchase of two additional quarter-sections" (not described). "It would appear, therefore, that despite the recommendations contained in the former reports of the Adjustment Board his indebtedness to the Department of the Interior should not be written off as uncollectible, but that he should be induced or forced to liquidate his indebtedness by payment of the account in full or by payment of such sums as may be recommended by the Board in the way of a compromise."

"I finally suggest that this Department exert some pressure on Senko to induce him to submit a statement in respect of his intention in regard to this account advising that he has been written to on several occasions by the Director of the Debt Adjustment Act, but has consistently refused to acknowledge communications addressed to him by that office."

"To legally complete the suggestions of the Secretary of Board it would be necessary to obtain authorization from the said Board over the signature of the Dominion and Provincial representatives therein to amend the Order-in-Council as now existing to conform with their present wishes, and if a further compromise is effected by them with Senko a third submission to Council would be necessary to ratify the same."

As an alternative and as neither Senko or the Registrar has notification of the passing of an Order-in-Council closing out the account I would suggest that Mr. Senko be written to and requested to forward immediate advice as to what provision he is prepared to make for liquidation or if he considers it too much of a burden to undertake payment of the indebtedness in full that he file an application with the Adjustment Board of Alberta for a compromise settlement of all his indebtedness. The Board could be advised of the action taken and it could be suggested to them that if they are successful in arriving at a compromise that their final report convey a recommendation to rescind the former Order-in-Council in addition to the new provisions which they may find necessary to include.

Fred Senko while holding the N.E. $\frac{1}{4}$ 14-33-7-W. 4th Meridian as his patented homestead and the South-East quarter of Section 14 as his unpatented pre-emption obtained the following advances on the security thereof:-

F E D E R A L

<u>YEAR</u>	<u>ADVANCE</u>	<u>AMOUNT</u>
1915	Seed Grain	\$167.10
1915	Fodder	23.80

The Adjustment Board of Alberta in their reports dated April 17th, 1929, and January 14th, 1930, recommended that the unpatented quarter the South-East of 14 be unconditionally released; that the patented quarter the North-East of 14 be released on payment of \$100.00 to the Federal indebtedness by the present owner Letniak and that the balance of the Federal and the Joint indebtedness be written off as a loss in view of the fact that there was no prospect of collection from the licensee who had left the district for parts unknown.

The recommendations of the Board were ratified by Order-in-Council P.C. 210/607 passed on March 20th, 1930, and the completion of these recommendations will mean a loss to the Dominion on the Federal indebtedness of \$877.40 plus one-half the Joint indebtedness viz \$50.00.

The account has been closed out on our ledgers with the exception of the \$100.00 held against the North-East quarter of Section 14, and the then Agent of Dominion Lands at Calgary was advised of the ratified recommendations of the Board on June 7th, 1930. This Department is in receipt of information to the effect that you are now the owner of the S.W. 20-34-2-W.4th Meridian against which the Liens given by you in favour of this Department to cover advances made to you on the security of the R.L. 14-33-7-W.4th Meridian have become registered.

It is noted that the amount due on this indebtedness as incurred by you in the years 1915, 1919 and 1920 now amounts to over \$1000.00 and that you are also indebted to the Provincial Authorities for additional advances. This Department is desirous of effecting some settlement of this account, and I am to request that you kindly advise by return mail as to what provisions you intend to make in that regard.

The Department does not wish to unduly burden your new undertaking and if you consider that the amount outstanding if retained in full would be a serious handicap to your remaining on the land, I am to advise that you kindly apply to the Adjustment Board of Alberta at Edmonton for an adjustment of the indebtedness.

It will, however, be to your own advantage to take some action in this regard without delay.

RE: Account of Fred Senko
N.E. 1/4 14-33-7-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1919 and 1920 seed grain, fodder and relief amounting to \$671.90 were advanced to Fred Senko on the security of the E/4 14-33-7-W.4th. Payments of \$78.59 and \$6.30 were received in 1917 and 1925, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 210/607 dated the 20th of March, 1930, the S.E. 1/4 14-33-7-W.4th was unconditionally released as security for the liens and the sum of \$926.40 was written off as a loss. The balance of the indebtedness has since remained as a charge against the N.E. 1/4 14-33-7-W.4th. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$100.00	\$130.14	\$230.14

Patent was issued in the name of Fred Senko for the N.E. 1/4 14-33-7-W.4th on the 5th of March, 1913, and the land later became subject to the 1915 seed grain and fodder liens.

This quarter section is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land was acquired by the Canada Life Assurance Company in 1924, under mortgage for closure proceedings, and in 1928 the Municipal District of Wata took title under the Tax Arrears Act.

In reply to our questionnaire of the 15th of May, 1952, Mr. J. Thompson of the Department of Municipal Affairs, Edmonton, Alberta, advised us that the land was being operated by a Mr. George Letnick of Idamay, Alberta, and that the land had an assessed value of only \$320.00 and that there was an accumulation of \$9.12 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

When next in the vicinity of the above land, the pre-emption of Frek Senko, kindly visit the same and furnish a report as to the character of the land, and the manner in which the settlement duties are being performed, stating whether in your opinion it is more suitable for ordinary homesteading, stock homesteading or grazing, the value of any improvements that may be thereon, and the value of the land per acre. MEMORANDUM:

MR. HUME.

S.E. 14-33-7 W. 4th M.
Preemption - Fred Senko.
Date of entry - 4th June, 1912.
Homestead patented.

The preemptor made application for patent for his preemption in June, 1912; the evidence submitted showed the completion of the required residence and cultivation.

The preemptor has been called upon from time to time to pay the purchase price. Nothing has been paid on account to date.

An intending settler informed the Department in May, 1923, that a Mortgage Company had taken over the appurtenant homestead of the preemptor and that the preemptor had left the country and also that there were no improvements on the preemption.

Cancellation proceedings were commenced against the preemption entry on behalf of the Department, 9th April, 1923, because of the preemptor's failure to complete payments.

The preemptor has not filed a defence.

The Inspector detailed to investigate has reported as follows:-

Present address - Unknown.
Area fit for cultivation - 50 acres.
General Remarks:-

I was informed by settlers in the vicinity that the entrant left the vicinity about three years ago, that he does not now own the homestead and is not likely to return. The land is rolling prairie suitable for a homestead, value \$5.00 per acre."

In view of Mr. Senko's failure to communicate with the Department since he made application for patent in 1912, it does not appear that he is anxious to secure title and therefore I would recommend summary cancellation.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Calgary, October 11, 1923.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 22nd Oct. 1923, the 9.E. $\frac{1}{4}$ of Section 14 Township 38 Range 7 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

- (1) On the day above mentioned, that is on the morning of the 22nd Oct. 1923 (Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

- (2) On the following day, that is on the morning of the 23rd Oct. 1923 (Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

- (3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 24th Oct. 1923 (Entry in person or by proxy.)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$.....

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: \$ 896.60 & 1/2. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Memorandum:

Mr. Hume.

S.E. 14-33-7-W. 4th M.
Pre-emption - Fred Senko.
Entry granted - 4th June, 1912.

Mr. Senko made application for pre-emption patent on the 30th June, 1919, claiming more than the required amount of residence and cultivation. He applied for a Certificate of Recommendation but the same is on file, it never having been forwarded as he neglected to furnish a declaration on form No. 329.

Inspector Kembry reported on the 15th August, 1923, as follows:--

Entrant unknown.
No improvements or cultivation of any description.

General Remarks:

"I was informed by settlers in the vicinity that the entrant left the locality about three years ago, that he does not now own the homestead and is not likely to return. The land is rolling prairie suitable for a homestead. Value \$5.00 per acre".

According to Patent Branch's statement of the 21st September, nothing has been paid on account.

The case was submitted and it was decided to cancel the entry. Cancellation was carried out on the 10th October last.

On the 19th November the Agent forwarded here a communication from Mr. Senko in which he stated:--

"Today I have received the registered mail regarding whether I am going to farm the land. I have broken forty acres on that land and will soon return on it, being(?) out renting out here I wish to come back on the following land".

S.E. $\frac{1}{4}$ 14-33-7, W. 4th M. - unpat'd pro.

FEDERAL

as per statement attached.

The licensee's 1915 seed grain application declared 75 acres wherein he mentioned the East half 14-33-7, W. 4th Meridian, and received 74 bushels of wheat and 66 bushels of oats. In his 1919 seed grain application he declared in readiness 60 acres on the S.E. $\frac{1}{4}$ 14-33-7, W. 4th M., for which he received 150 bushels of oats. In his 1920 seed grain application he declared in readiness 120 acres on the S.E. $\frac{1}{4}$ 14-33-7, W. 4th M., for which he received 80 bushels of wheat and 100 bushels of oats.

PROVINCIAL & FEDERAL

50-50 basis.

This man, Senko, received from the Municipal District of Wiste No. 303 Relief valued at \$72.25 bearing interest at 7% from the 14th January, 1920. In connection with this indebtedness there is no record of this Department having paid anything on the account.

SECURITY

N.E. $\frac{1}{4}$ 14-33-7, W. 4th M.

The licensee's patented homestead issued in his name under date of the 5th March, 1913, and on referring to copy of Abstract of Title in connection with this quarter bearing date the 6th April, 1924, it indicates that title thereto was then vested to the Canada Life Assurance Company since the 6th July, 1916, subject to the registration of the 1915 seed grain under date of the 29th March, 1916, and fodder and relief liens registered under date of the 17th September, 1916. From further evidence on file it appears that the Department was advised in March 1920 that the Municipal District of Wiste had taken title to this quarter. There is no Homestead Inspector's report on file.

S.E. $\frac{1}{4}$ 14-33-7, W. 4th M.

The licensee's pre-emption entry for which was duly cancelled on the 1st April, 1924, and apparently still vacant. There is no Homestead Inspector's report in connection with same.

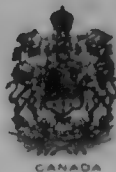

.....MR.....

Mr. W. Lorse, Acting Director of the Debt Adjustment Act, Calgary, Alberta, made representations in connection with the H.E. 14-33-7, 3.4th A., under date of the 15th September last, under reference D.M.D. 303-12, to the effect that this property had been acquired by the Municipal District of Wiste No. 303, who sold it to one George Letniak on the understanding that he assume liability of the Dominion liens registered against it, and he has applied for an adjustment of these liens.

The liens executed by Fred Senko, the licensee, covering the advances in question were given on the security of the S.E. 14-33-7, 3.4th A.

Your Ref. Board Order No. 540.

In this case kindly be referred to the report and recommendation of the Adjustment Board under date of January 21st and April 17th last in connection with which it has been considered advisable to direct attention to the fact that there is apparently indebtedness in the Joint Right of the Province and the Dominion by way of a Lien for \$72.25 dated January 14th, 1920, which was mentioned in the Departmental statement dated October 24th last referring this case, and which has not been given consideration by the Board.

I would also advise that under date of April 2nd last Mr. Senko wrote this office from Altario, Alberta, requesting authority to make a second homestead entry, and although there is no record of his yet having done so it is thought that this information may have some influence on the recommendation of the Board as regards writing off any balances.

I would, therefore, request that you kindly direct the Board's attention to the omission of the Joint Provincial and Federal indebtedness from their recommendation, and to the additional information as regards the Licensee's evident intention to acquire second homestead.

Re: Fred Senke

Board Order #540

Further to my letter of June 24th 1929, I beg to advise you that the lien for \$72.25 for indebtedness of the above named man to the Municipal District of Wiste #303, was not recorded in the list of the amounts outstanding forwarded to me by the Municipal District. I therefore omitted it from my report to the Board on the assumption that the indebtedness had been recovered by the Municipal District. I find that this is not the case and I am preparing a supplementary report to the Board.

I have endeavoured to get in touch with Mr. Senke to ascertain whether his financial standing is such that there is any likelihood of collecting any portion of the indebtedness but I do not anticipate, in spite of his application for second homestead entry, that we will be able to collect from him any time within the near future.

Mr. Perrin

Re - Fred Senko.
E. 1/4 14-33-7-W.4th Mer.
S.W. 1/4 20-34-2-W.4th Mer.

Fred Senko while holding the E. 1/4 14-33-7-W.4th Meridian as his patented homestead and the S.W. 1/4 20-34-2-W.4th Mer. as his patented quarter of Section 14 as his unpatented pre-emption obtained the following advances on the security thereof:-

FEDERAL

YEAR	ADVANCE	AMOUNT
1915	Seed Grain	10.00
1915	Fodder	5.00
1915	Relief	5.00
1915	Relief	5.00
1919	Seed Grain	5.00
1920	Seed Grain	5.00
	50-50	
1920	Relief	25.00

The Adjustment Board of Alberta in their reports dated April 17th, 1929, and January 14th, 1930, recommended that the unpatented quarter the South-East of 14 be unconditionally released; that the patented quarter the North-East of 14 be released on payment of \$100.00 to the Federal indebtedness by the patent owner Letniak and that the balance of the Federal and the Joint indebtedness be written off as a loss in view of the fact that there was no prospect of collection from the Lience who had left the district for parts unknown.

The recommendations of the Board were ratified by Order-in-Council P.C.210/607 passed on March 14th, 1930, and the completion of those recommendations will mean a reduction to the Dominion on the Federal indebtedness of \$877.40 plus one-half of the Joint indebtedness viz \$58.78.

The account has been closed on our ledgers with the exception of the \$100.00 held against the North-East quarter of Section 14, and the then Agent of Dominion Lands at Calgary was advised of the ratified recommendations of the Board on June 7th, 1930. No action has, however, been taken authorizing the Registrar to deregister

any of the Liens nor has Senko been advised of the closing out of the account.

I would now direct attention to a communication immediately hereunder from the Secretary of the Alberta Adjustment Board the salient points of which are "Fred Senko the Licence has now been located on the S.W. 1/4 20-34-2-W. 4th Meridian which he has purchased from the Department of Municipal Affairs. He has paid the purchased price of \$500.00 in full, and the Department of Municipal Affairs has transferred title to him. On title vesting in Senko's name the Registrar at Calgary recorded thereon the Dominion Liens carried in his name in the Seed Grain Docket" (the 1915 Liens).

"Fred Senko is at the present time negotiating with the Department of Municipal Affairs for the purchase of two additional quarter-sections" (not described). "It would appear, therefore, that despite the recommendations contained in the former reports of the Adjustment Board his indebtedness to the Department of the Interior should not be written off as uncollectible, but that he should be induced or forced to liquidate his indebtedness by payment of the account in full or by payment of such sums as may be recommended by the Board in the way of a compromise."

I finally suggest that this Department exert some pressure on Senko to induce him to submit a statement in respect of his intention in regard to this account advising that he has been written to on several occasions by the Director of the Debt Adjustment Act, but has consistently refused to acknowledge communications addressed to him by that office.

To legally complete the suggestions of the Secretary of Board it would be necessary to obtain authorization from the said Board over the signature of the Dominion and Provincial representatives thereon to amend the Order-in-Council as now existing to conform with their present wishes, and if a further compromise is effected by them with Senko a third submission to Council would be necessary to ratify the same.

As an alternative and as neither Senko or the Registrar has notification of the passing of an Order-in-Council closed out the account I would suggest that Mr. Senko be written to and requested to forward immediate advice as to what provision he is prepared to make for liquidation or if he considers it too much of a burden to undertake payment of the indebtedness in full that he file an application with the Adjustment Board of Alberta for a compromise settlement of all his indebtedness. The Board could be advised of the action taken and it could be suggested to them that if they are successful in arriving at a compromise that their final report convey a recommendation to rescind the former Order-in-Council in addition to the new provisions which they may find necessary to include.

RE: Account of Fred Senko
N.E. 1/4 14-33-7-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1919 and 1920 seed grain, fodder and relief amounting to \$671.90 were advanced to Fred Senko on the security of the E 1/4 14-33-7-W.4th. Payments of \$78.59 and \$6.30 were received in 1917 and 1925, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. 210/607 dated the 20th of March, 1930, the S.E. 1/4 14-33-7-W.4th was unconditionally released as security for the liens and the sum of \$926.40 was written off as a loss. The balance of the indebtedness has since remained as a charge against the N.E. 1/4 14-33-7-W.4th. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$100.00	\$130.14	\$230.14

Patent was issued in the name of Fred Senko for the N.E. 1/4 14-33-7-W.4th on the 5th of March, 1913, and the land later became subject to the 1915 seed grain and fodder liens.

This quarter section is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land was acquired by the Canada Life Assurance Company in 1924, under mortgage foreclosure proceedings, and in 1928 the Municipal District of Wiste took title under the Tax Arrears Act.

In reply to our questionnaire of the 15th of May, 1952, Mr. J. Thompson of the Department of Municipal Affairs, Edmonton, Alberta, advised us that the land was being operated by a Mr. George Letnick of Idamay, Alberta, and that the land had an assessed value of only \$320.00 and that there was an accumulation of \$9.12 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re. SW $\frac{1}{4}$ Sec 13-4-15 west of 4:

I have your letter written December 29th. last. Owing to illness I am only able to take this matter up with you now.

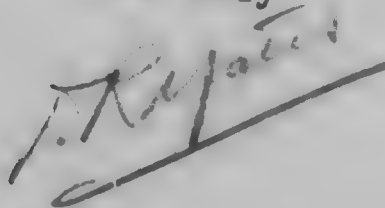

I am now the owner of above lands. The land was sold to me by Mr. Geo. F. Kuhl and I have his written agreement to pay off the fodder liens you mention. However, it is doubtful if Mr. Kuhl will pay this obligation and I recognize that I am liable.

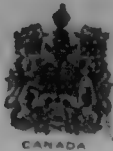

I would like to submit to your department, that the land in question has been farmed steadily ever since I became the owner and up to this time I have not taken any profit from same, in fact have suffered a loss. These conditions do not in any way affect my liability as regards the quarter section in question but they may and should affect the time of the demand to be made upon me.

I will suggest to you, that if your department make up a statement of above account plus interest, up to and including July 31st. next and will send me this statement I will obligate myself (in writing if you like) to pay off above claim at that time. Just at present that is the best I can do.

Kindly go into this matter again and advise me.

yours truly

Dear Sir:

Again referring to fodder liens against SW $\frac{1}{4}$ Sec. 13,
in 4-15 west of 4.:

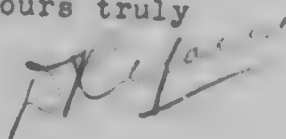

You in-form me in your letter written Jany. 25th. that
the amount of liens is \$156.47 up to July 1st. next.

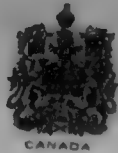

Taking this up with Land Titles Office they show the
fodder liens you speak of as a claim against the land and also
show other lien claims as under their numbers 4385 B.G. and
6574 B.G.. The fact of the matter is I think, that Kuhl did
get other government help in the way of seed, feed and relief
but that same was procured as against other lands he held
as homesteads and pre-emptions in township 3 or 4 or 5 in range
9 west of 4.

Here is my position: If I must pay all of these
liens as shown I certainly cannot do it and the Government will
have to take the land but if you can guarantee that by the
payment on July 1st. of the \$156.47 you mention, I will be able
to clear off all the Government claims against the SW $\frac{1}{4}$ of Sec.
13-4-15 west of 4, then I think I can manage that. I can only
make this payment on this last suggested basis.

Will you kindly go into this matter thoroughly and state
just your position and mine in this matter.

yours truly

Further to my communication to you dated 1st inst. I beg to advise that I am now in receipt of Abstracts of Title covering the H.C. 32-4-9 242 and H.C. 13-4-15 242 and note that liens for \$275.00, \$31.50, \$150.10 and \$483.05 were all registered against title to the H.C. 13-4-15 242 prior to your purchasing the land, and all constitute therefore a correct charge against the same.

It is presumed that prior to purchasing this land you naturally searched the title and consequently were aware of those registrations at that time and should then have made provision for their liquidation by deduction from the purchase price or otherwise.

However, I note from your communication to the Agent of Dominion Lands at Lethbridge, dated January 23rd last, your statement of possession George F. Kuhl's written agreement to pay off those liens and although you must understand that its existence does not in any way affect the validity of our claim I would request you to kindly forward said agreement to this office for inspection as it may enter into the question of an apportionment of this indebtedness.

Sir:

The S.W. 1/4 Sec 13/4/15/ west of 4, your letter Mch. 29th.:

In accordance with your request I attached Geo. Kuhl's written agreement to pay off all liens except a certain mortgage. After perusing this document I will be glad to have you return same to me.

I quite accept the statement you make in the last paragraph of your letter of March 29th but I thoroughly believe that all of the liens except the ones for \$75.00 and \$31.55 should apply on the N 1/4 of Sec. 32-3-9 and that any seed or relief furnished Mr. Kuhl as applying to the SW of Sec 13 ~~are~~ is included in this total \$120.55. As I told your local Land Agent; I can and will pay the liens that should properly apply to the SW 1/4 of Sec. 13, plus interest to date but if your Department decides that such payment will not clear the title to the land in question, then I will simply have to forfeit title to the land as the total of all liens filed (including the ones properly applying on Sec. 32-3-9) reaches a sum that is more than the land is worth.

At your convenience I will be glad to have your final decision in above matter.

OTTAWA,

Meanwhile Yates had searched title to the S.W. 1/4 13 and found registered in addition to the Wodder liens for \$77.00 and \$31.55 all the indebtedness incurred by Kuhl on the N. 1/4 32.

He immediately advised of his inability to liquidate all the registered indebtedness but re-iterated his willingness to pay the Wodder liens in question on condition of obtaining a clearance in full.

He was advised from this office under date of March 20th that all indebtedness having been registered prior to his obtaining title constituted a correct charge against the same; that his written agreement from Kuhl to assume all indebtedness did not affect the validity of our claim, and was asked to forward the said agreement in support of his request.

The agreement is on file immediately hereunder, and you will note is dated concurrently with the instrument of transfer from Kuhl to Becker and Yates as given on Abstract of Title dated January 22nd last.

In connection with Mr. Yates' request there are several points to which I would draw your attention as they will of necessity enter into the consideration thereof.

His correct procedure as he has been advised was at the time of purchase to search title and retain from the price paid sufficient to liquidate all registered indebtedness, instead of which he accepted a written agreement from Kuhl to assume the same.

There were two Seed Grain liens incurred by Kuhl on the N. 1/4 32, one for \$159.30 and the other for \$177.00. The one for \$177.00 was given to cover advances of seed to be used on the N. 1/4 32 and the one for \$159.30, although given on the specific security of the N. 1/4 32, was to cover advances of Seed Grain to be used exclusively on the S.W. 1/4 13-4-15 W4M (see application covering the same on file #152 069 herewith, marked).

It would therefore appear that we would be justified in demanding from Mr. Yates an amount sufficient to liquidate the Seed Grain lien for \$159.30 in addition to the Wodder liens of \$77.00 and \$31.55, and on receipt thereof, as we are amply secured for the remaining indebtedness in the N. 1/4 32, I would respectfully suggest that all liens be removed from title to the S.W. 1/4 13.

Mr. Hill.

Re S.W. 13-4-15-4 purchased.

N.W. 32-4-9-4 patented homestead.

In 1915 George F. Kuhl was farming the above lands, holding title to the first two and pre-emption entry to the third, patent to which has since issued.

In that year he incurred the following indebtedness in favour of this Department.

On the specific security of the S.W. 13.

Fodder	\$75.00	30-1-15
Fodder	31.55.	19-2-15

Fodder	71.00	16-3-15
Seed Grain	177.00	16-2-15
Seed Grain	159.30	18-2-15

All liens are registered against title to each quarter section in question.

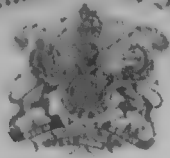

The S.W. 13-4-15 W&M has, until recently, been billed only with the fodder liens for \$75.00 and \$31.55, given specifically on the security thereof.

In December last Homestead Inspector Wilcox, reporting in the course of a collection itinerary advised that this quarter had been sold to one D. F. Yates. The Agent of Dominion Lands at Lethbridge, not being cognizant of the fact that George F. Kuhl of the S.W. 13 was also the lienor in connection with the N.E. 32 advised Yates of the liens for \$31.55 and \$75.00 registered against his title, and requested payment thereof.

Yates in answer advised that he had Kuhl's written agreement to assume all Seed Grain indebtedness, but being doubtful of his (Kuhl's) ability to meet the obligation, and recognizing the validity of our claim, expressed willingness to make payment, and requested a statement with interest computed to July 1st next which was duly forwarded to him by the Agent.

Sir,

Re S.W. 13-4-15-W. 4th M.

I beg to inform you that Mr. D. R. Yates of Lethbridge, has made representations to this Department on behalf of Yates Lumber Company in regard to liens for \$75.00, \$31.55, \$159.30 and \$483.05, respectively, given by George F. Kuhl in connection with the S.W. 13-4-15-W. 4th M. and the N. 1/2 32-4-9-W. 4th M., in so far as they affect the S.W. 13-4-15-W. 4th M., and in this connection to send you herewith discharges of the liens for \$75.00 and \$31.55, respectively, the amount due thereunder having been satisfied, and to ask you to be good enough to register these documents only in so far as the S.W. 13-4-15-W. 4th M. the land therein described, is affected.

Relative to the liens for \$159.30 and \$483.05, respectively, I may say in view of the representations made and of the fact that the other lands against which these liens are held are considered sufficient security, it has been decided to comply with the request for their removal from the said the S.W. 13-4-15-W. 4th M.

You are, therefore, hereby authorized and requested to remove from the said the S.W. 13-4-15-W. 4th M. the liens in question for \$159.30 and \$483.05, respectively, registered against it under numbers 4385B.G. and 6576 B.G.

Mr. Yates is being advised of this action.

Kindly advise me of the action you may take in this matter.

1/4 N.W. Sec. 25 Tp. 4 R. 10 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Edgar Robert Lynes, Esq.,

I am to acknowledge the receipt of your communication of the 30th ultimo, written on behalf of the entrant for the above described land to the effect that a payment on account of the purchase price of this land will not be forthcoming at the present time owing to Mr. Lynes' illness, and in reply I am to say that the Agent of Dominion Lands at Lethbridge is being requested to have an Inspector, when on collection work, furnish the usual report.

When this information is received here, the question of granting Mr. Lynes further time within which to pay for the land, will then be submitted for consideration.

of Seed Grain, Fodder and Relief Indebtedness.

Edgar R. Lynes.
N.E. 25-4-10 W.4th M.
SE 1/4 1-5-10 W.4th M.

Federal.

As per statement attached.

The seed grain application stated that 135 acres were under cultivation, for which 100 bushels of wheat and 69 of oats were required.

Provincial-Federal.

No record.

Security.

N.W. 25-4-10 W.4th.

This is the homestead of Edgar R. Lynes, patented in his name on the 30th December, 1912. There is no record on file of the date of registration of the liens and no recent report as to improvements.

N.E. 25-4-10 W.4th.

This is the pre-emption of Edgar R. Lynes, on which there was \$934.48 due on the 1st November, 1929, to complete payment of the purchase price. It is described as light loam with clay subsoil, 140 acres fit for cultivation, improvements, 1929, House, \$200, stable, \$50.00. In 1929, 25 acres were summer fallowed and 30 in crop. A promise of payment in the fall of 1929 was made by the debtor, but no payment has been received.

S.E. 1/4 1-5-10 W.4th.

This is the second homestead entry of Edgar R. Lynes, who made entry on the 21st September, 1928. An adjustment was made in connection with the indebtedness of M. H. Hayeroff, the former entrant, releasing this land upon payment of the value of the improvements thereon. The land is described as chocolate loam with clay subsoil, 160 acres fit for cultivation.

An application for adjustment has been made by the Netherlands Investment Company of Canada, evidently in connection with the N.W. 25-4-10 W.4th, according to a letter from Mr. Matheson dated the 22nd February, 1930, File No. 20170.

Re: Account of Edgar R. Lynes,
S.E. 1-5-10-14.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Edgar R. Lynes received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is \$1,408.24 of which \$473.37 is principal and \$934.91 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir -

I have been answering your letter of Feb. 18. It has remained unanswered

Regarding the relief seed grain and fodder my husband received in 1915. I would gladly make a settlement but as I cannot sell wheat it would be very hard to do at present. Perhaps later when we can sell produce I can settle the account. I was under the impression that this account had been settled.

As soon as possible I will write you again.

Dear Madam:

RE: S.R. 4 1-5-10-W.4th

We wish to thank you for your letter of the 25th of April, 1956, concerning the seed grain account of your late husband Edgar R. Lynes charged against the above land. We note that you are unable to make any payment at this time but that you will write to us as soon as you are able to sell some of your grain. We believe that the Seed Grain Advisory Board will give sympathetic consideration to granting a reduction in your case.

In order to assist you in clearing your title, if you will remit the sum of \$473.37, representing the principal amount only, within a reasonable time, we are prepared to recommend to the Board that the accrued interest of \$934.91 be cancelled. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Dear Sir //

Sometime ago I received a letter telling me of the lien against ^{SE} 1/4 of 1-5-10-4. I thought this lien had been paid off years ago. However, it apparently wasn't. I have been able to sell some grain and wondered if you would consider settling the debt for \$300.00. My crop this year has been hailed and while the grain crops will come back some two fields of mustard are in bad shape. //

Dear Madam:

RE: S.E. 1-5-10-W.4th

We wish to thank you for your letter of the 10th of July, 1956, offering the sum of \$200.00 to settle the seed grain fodder and relief account of Edgar R. Lynes charged against the above land.

In view of the poor crop that you expect to harvest this year, we believe that the Seed Grain Advisory Board will be willing to grant a reduction in the amount previously proposed to settle this debt namely the principal.

In order to assist you in clearing your title, if you will remit \$300.00, within a reasonable time, it will be recommended to the Board that this amount be accepted in full settlement of our claim. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

RE: Account of Edgar R. Lynes
S.E. 1-5-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$618.85 were advanced to Edgar R. Lynes on the security of the above described land. In 1915, 1928 and 1930 payments of \$106.93, \$1.60 and \$100.00 respectively, were received and applied to principal and interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$473.37	\$934.91	\$1,408.28

In reply to our letter concerning the Federal indebtedness charged against the land, on the 10th of July, 1956, Mrs. Edith M. Lynes, Nemiscom, Alberta, wrote as follows:-

"Sometime ago I received a letter telling me of the lien against the S.E. 1/4 of 1-5-10-W.4th. I thought this lien had been paid off years ago. However, it apparently wasn't. I have been able to sell some grain and wondered if you would consider settling the debt for \$300.00. My crop this year has been hailed and while the grain crops will come back some two fields of mustard are in bad shape."

The assessed value of this quarter section in 1952 was \$850.00.

After negotiations the sum of \$300.00 being slightly less than two-thirds of the principal has been received in full settlement of our account. Under the circumstances and in view of the previous payments, this is considered equitable.

Re: S.E. 1-5-10-W.4th

Recently we obtained Abstracts of Title for the S.E. 1-5-10-W.4th and the N. 25-4-10-W.4th. According to a statement on our file, there was an outstanding account for relief advances made by the Municipal District of Burlington No. 34 to E. R. Lynes. This is a Joint account, the total principal being \$697.50.

However, we have no remaining security for this account and it would be appreciated if you will make an investigation and if there is no possibility of collection, you might include it in your recommendation to the Alberta Seed Grain Adjustment Board for cancellation.

Dear Sir:

Re: S.E. 1-5-10-W.4th &
N₂ 25-4-10-W.4th

According to a statement on our file, there is an outstanding account for relief advances charged against the above land. These advances were made by the Municipal District of Burlington No. 34 to E. R. Lynes and later the Province of Alberta and the Dominion Government each paid fifty per cent of the account. The total principal is \$697.50.

Recently we obtained Abstracts of Title for both the S.E. 1-5-10-W.4th and the N₂ 25-4-10-W.4th and these Abstracts show that these liens are not registered against either of the lands.

Since we have no remaining security for this account, it would be appreciated if you will make an investigation and if there is no possibility of collection you might include it in your recommendation to the Alberta Seed Grain Adjustment Board for cancellation.

We have been requested by the authorities at Ottawa to deal with the above mentioned account which is still outstanding. It is noted that the Estate was apparently concerned with the existence of the corresponding Liens early in 1955 and at that time we gave you detailed information regarding this matter.

We would appreciate advice at this time if the Estate would be interested in submitting an offer for settlement possibly on a compromise basis. If an offer to a compromise is made please furnish information pertaining to the financial position of the Estate and any other relevant information.

Dominion & Joint Relief Advances.

Please refer to your letter of last November 9th wherein you refer to the principal amount of \$697.50 being outstanding with respect to advances assumed jointly by the Dominion and Provincial Governments.

We have just been advised that a payment of \$300.00 was remitted by Mrs. E. M. Lynes of Foremost to your office as a compromise settlement. Our file also indicates that an account for Dominion Advances in the principal amount of \$473.37 was outstanding in your records in 1954 and that Liens Numbered 5764 B.F., 1820 B.K. and 256 B.Q. are registered in favor of the Crown pertaining to that account and no liens were registered to secure the Joint account.

It is our opinion that any recovery made at this time should possibly receive some token application to the Joint account.

We will be very much pleased to receive advice from you as to the application of the recent payment of \$300.00.

Dear Sir:

Re: N₂ 25-4-10-W.4th &
S.E. 1-5-10-W.4th

We have your letter of the 31st of January, 1957, informing us that you have recently been advised that a payment of \$300.00 was remitted by Mrs. E. M. Lynes of Foremost, Alberta, as a compromise settlement on the Federal indebtedness charged against the above land. You have also stated that you feel a token payment should be made on the Joint relief account even though the liens were not registered.

It has been our practice in connection with the Saskatchewan Joint accounts where the liens are not registered and there is no other security to cancel the debt. However, we did agree to refer any cases where there are both Federal and Joint accounts to you before making a settlement. It was due to an oversight on our part that this particular case was not referred to you before preparing our Board Order.

Unfortunately, since the settlement has been approved by the Minister and our discharges have been sent out, it will be very difficult to apply any part of the money received to the Joint account now. If a similar case should occur in the future, we will bring it to your attention before making any recommendation to the Board. We trust that this will be satisfactory.

Yours very truly,

C. K. LeCapelain,

We have your letter of the 31st of January, 1957, informing us that you have recently been advised that a payment of \$300.00 was remitted by Mrs. E. M. Lynes of Foremost, Alberta, as a compromise settlement on the Federal indebtedness charged against the above land. You have also stated that you feel a token payment should be made on the Joint Relief account even though the liens were not registered.

As you no doubt know, we have written to all of the owners of land encumbered by Federal Seed Grain and Relief Liens inviting them to apply to the Seed Grain Advisory Board for consideration of the debt charged against their land. Mrs. E. M. Lynes applied to the Board for an adjustment after receiving one of these letters. Although it has been our practice to refer these applications to you, in cases where there is also joint indebtedness, we apparently overlooked the joint account due to the fact that there were no liens registered against the title of the land.

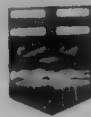

The Board has already approved the settlement of the Edgar R. Lynes account and discharges have been forwarded to the Registrar. Under the circumstances we feel that this settlement should be allowed to stand and the joint account written off as a loss.

DEPT. OF INTERIOR
JUL 22 1910

I have been kindly permitted to make entry for homestead and pre-emption namely South 1/2 of 14-6-1-14-4 last year I came up here and squatted on this 1/2 but owing to some trouble with the ranchmen I was afraid I was not going to get this piece of land and as I was not out altogether I made entry for the South 1/2 of 1-5-7 but when I came to look this piece over recently I find it would be too rough and long for me to work and I wrote to the land office at Medicine Hat telling them that I had abandoned this 1/2

He came on to the North 1/2 of 14-6-11 and built not thinking I would have any trouble making entry

Yours truly

MEMORANDUM:

Mr. Hume,

Application for patent
Joseph Strain,
For the N.W. 1/4 of 24-6-10,
Twp 4th Meridian.

In this case it is pointed out that the homesteader, who is a squatter before survey and who made the usual Declaration before a Surveyor, previously held a Homestead entry for the South West 1/4 of Section 2, Township 5, Range 9, West of the 4th Meridian, which entry he did not abandon until some time in July, 1910 and consequently he is not entitled to count residence before this date and would not be able to avail himself of the privileges of a squatter.

It is evident that this entry was not abandoned through a mistake of the homesteader and I do not quite see why this should not be overlooked and the application for patent dealt with in the usual way.

However you may not be of this opinion.

According to the application he obtained entry on the 20th of October, 1910, making application for patent on the 8th of July, 1913, and commenced his residence on the 1st of May, 1910.

*As long as he has sufficient res.
since he abandoned former
hd. I see no objection.*

of any other address, please convey these instructions
to Mr. Wessels at such address.

Sir,

2. 1 of 25-17-12-11. 4th H.

I beg to draw your attention to the cancellation proceedings which are outstanding against your land above described. Up to the present time no defence has been received from you.

Shortly after these proceedings were instituted, it was decided, owing to the failure of the crops in the land districts of Moosejaw, Swift Current, Maple Creek, Medicine Hat and Lethbridge, to protect all entries in such districts until the 1st April, 1915.

In view of the crop failure, the Department wishes to extend to settlers every possible leniency, and, under the circumstances, it has been decided to give you until the 1st July, 1915, within which to furnish the Agent of Dominion Lands at Medicine Hat with satisfactory evidence that you are in residence as called for by the terms of your entry, and that it is your intention to comply faithfully with the regulations.

If you fail to comply with the above instructions, the Agent will cancel your entry summarily and dispose of the land in accordance with the regulations.

Assistant Secretary.

NOTICE.

Tide Lake. Alta.

191...

Notice is hereby given that the 3.3. Section 28 Township 17

Range 10 West of the 4.th. Meridian, is now available for settlement, and will be reserved for PRE-EMPTION ENTRY by one of the homesteaders living on adjoining lands, provided such homesteader is entitled to this privilege, for a period of fifteen days from the date of this notice, that is to say, until the closing of the Land Office on the

23.th. day of August. 1916 on the following conditions:

- (1) If the homesteader who has the prior right applies for entry for the land so reserved before the close of office hours on the 15th day hereafter, he will be granted pre-emption entry provided his application is regular in other respects.
- (2) A homesteader whose right to a pre-emption entry for this quarter-section is second, third, or fourth in order of priority, will not be given entry before the close of office hours on the 15th day from the date of this notice. If the homesteader having priority of right does not apply in person for entry before the close of office hours on such 15th day, the claimant next in order of priority, who is present in person at that time, shall be accepted, provided his application is regular in other respects, and he shall be given an entry receipt either then or on the opening of the office on the day following in priority of any other business.
- (3) If an application for pre-emption entry for this land is not made in person by one of the homesteaders entitled to the entry as above provided, the land will then be posted in the ordinary way for a period of ten days and then disposed of to the first eligible applicant.

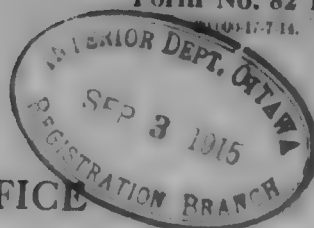

Geo. S. Macdowell
Agent Dominion Lands.

Sub-Agent or Postmaster at Tide Lake, & Tripola, Alberta.

Please post in a conspicuous place.

PRIORITY OF APPLICANTS FOR PRE-EMPTION.

- (a) In deciding the question of priority of right between two applicants for the same pre-emption, the rule provided by subsection 6 of section 2 of the Dominion Lands Act must be followed. That is to say, priority of date of entry receipt or of date of squatting before survey gives priority of right to pre-emption. For the purposes hereof the date of squatting before survey stands in the place of date of homestead receipt. If two entry receipts are dated on the same day, the one first entered in the books has the priority.
- (b) It is to be noted that priority of pre-emption right by reason of priority of homestead receipt does not apply unless the entry is in good standing.
- (c) For the purpose of this regulation, a homestead entry which has stood for not more than six months shall be considered to be in good standing.
- (d) A homestead entry which has stood for a period exceeding six months shall also be considered to be in good standing if the entrant has been in bona fide residence within six months before the date upon which his right is questioned, and is otherwise complying with the provisions of the Act.
- (e) An entry under protection is not to be considered as being in good standing for the purpose of establishing priority as against another applicant for pre-emption who is in good standing, unless the homesteader proves that he is in actual residence.
- (f) In case the homestead entry of an applicant for a pre-emption entry is subject to an application for cancellation, the question of right of such homesteader shall be subject to decision of the Agent on the best evidence available. If sufficient evidence is not available to warrant a decision he may withhold entry and refer to Head Office, and the reservation will be continued until the decision of Head Office is received, and the position of the other applicant, or applicants, will be maintained in the meantime.
- (g) The question of the good standing of a homesteader applying for pre-emption entry is not to be raised, except in case of conflicting application for pre-emption by another homesteader or by a squatter before survey or by an applicant for homestead entry, either free or purchased, or by an applicant for cancellation.

Before a person is granted entry for a homestead, a pre-emption or a purchased homestead, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

Entry made in 1916.

question - - Disposal of land.

Cancellation proceedings were instituted
on the 16th June last under section 55 of the Act.

No defense has been filed and Inspector
Layberry reported on the 21st September that only a
short period of residence had been performed, none
that could be counted - - that the entrant formerly
resided in Alderson but had moved to Casles, Alberta,
in the spring of 1920 - - that improvements consisted
of a house on the homestead, worth \$50.00 and 50 acres
cultivated on the homestead in 1917, of no value now.

The Inspector claimed that 120 acres
of the homestead were fit for cultivation and that
50 acres of the pre-emption could be cultivated.

The question of cancellation was sub-
mitted on the 28th October but no action appears to
have been taken.

The entrant is indebted to the Depart-
ment to the amount of \$550.00 for seed grain and
relief.

It is suggested that ^{these entries} this entry be
cancelled and as the land is in Area "B" that the
Agent be instructed to post it for ordinary entry sub-
ject to the charges for seed grain, etc.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$ 60.00

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of its valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: \$ 541.60. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Your files 118647-8.

Sir:

In 1915 the above land was heavily encumbered with Seed Grain, Fodder and Relief indebtedness by Walter C. Dodd, and the account now stands as at \$744.01 - interest computed to the 31st March last.

Neither quarters are patented, and consequently the Liens are not registered. I would, therefore, request that you have an Inspector visit this land with a view to obtaining some payment to the credit of this account. He should also make a complete report as to cultivation, by whom and under what agreement, and any other information which may be of service to the Department in effecting collection.

Your obedient servant,

In 1915 the above land was heavily encumbered with Seed Grain, Fodder and Relief indebtedness by Walter C. Dodd, and the account now stands as at \$744.01- interest computed to the 31st March last.

Neither quarters are patented, and consequently the Liens are not registered. I would, therefore, request you to visit the above land with a view to obtaining some payment to the credit of this account. You should also make a complete report as to cultivation, by whom and under what agreement, and any other information which may be of service to the Department in effecting collection.

Re: Account of Walter Garfield Dodd
S# 25-17-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1919 and 1920 seed grain amounting to \$541.60 was advanced to Walter Garfield Dodd on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

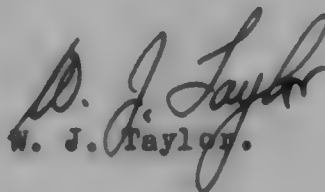

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$541.60	\$1,249.17	\$1,790.77

The S# 25-17-10-W.4th were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 29th of December, 1922, and the land is still unalienated Crown land held in the right of the Province.

In 1925 the homestead inspector in a report stated that this half-section of land was sandy and unsuitable for cultivation and that it had all gone back to weeds and grass.

According to an Abstract of Title dated the 25th of January, 1956, this half-section of land is still unpatented land held in the right of the Province, clear of any encumbrance.

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

W. J. Taylor.

to Mr. Wessels at such address.

Sir,

S. 1 of 25--17--12--4, 4th R.

I beg to draw your attention to the cancellation proceedings which are outstanding against your land above described. Up to the present time no defence has been received from you.

Shortly after these proceedings were instituted, it was decided, owing to the failure of the crops in the land districts of Moosejaw, Swift Current, Maple Creek, Medicine Hat and Lethbridge, to protect all entries in such districts until the 1st April, 1913.

In view of the crop failure, the Department wishes to extend to settlers every possible leniency, and, under the circumstances, it has been decided to give you until the 1st July, 1913, within which to furnish the Agent of Dominion Lands at Medicine Hat with satisfactory evidence that you are in residence as called for by the terms of your entry, and that it is your intention to comply faithfully with the regulations.

If you fail to comply with the above instructions, the Agent will cancel your entry summarily and dispose of the land in accordance with the regulations.

NOTICE.

Notice is hereby given that the... 3.7. Section 25. Township 17.

Range 10. West of the 4. th. Meridian, is now available for settlement, and will be reserved for PRE-EMPTION ENTRY by one of the homesteaders living on adjoining lands, provided such homesteader is entitled to this privilege, for a period of fifteen days from the date of this notice, that is to say, until the closing of the Land Office on the

26. th. day of August. 1915. on the following conditions:

- (1) If the homesteader who has the prior right applies for entry for the land so reserved before the close of office hours on the 15th day hereafter, he will be granted pre-emption entry provided his application is regular in other respects.
- (2) A homesteader whose right to a pre-emption entry for this quarter-section is second, third, or fourth in order of priority, will not be given entry before the close of office hours on the 15th day from the date of this notice. If the homesteader having priority of right does not apply in person for entry before the close of office hours on such 15th day, the claimant next in order of priority, who is present in person at that time, shall be accepted, provided his application is regular in other respects, and he shall be given an entry receipt either then or on the opening of the office on the day following in priority of any other business.
- (3) If an application for pre-emption entry for this land is not made in person by one of the homesteaders entitled to the entry as above provided, the land will then be posted in the ordinary way for a period of ten days and then disposed of to the first eligible applicant.

Geoff Macdowell
Agent Dominion Lands.

Sub-Agent or Postmaster at Tide Lake, & Tripola, Alta.

Please post in a conspicuous place.

PRIORITY OF APPLICANTS FOR PRE-EMPTION.

- (a) In deciding the question of priority of right between two applicants for the same pre-emption, the rule provided by subsection 8 of section 27 of the Dominion Lands Act must be followed. That is to say, priority of date of entry receipt or of date of squatting before survey gives priority of right to pre-emption. For the purposes hereof the date of squatting before survey stands in the place of date of homestead receipt. If two entry receipts are dated on the same day, the one first entered in the books has the priority.
- (b) It is to be noted that priority of pre-emption right by reason of priority of homestead receipt does not apply unless the entry is in good standing.
- (c) For the purpose of this regulation, a homestead entry which has stood for not more than six months shall be considered to be in good standing.
- (d) A homestead entry which has stood for a period exceeding six months shall also be considered to be in good standing if the entrant has been in bona fide residence within six months before the date upon which his right is questioned, and is otherwise complying with the provisions of the Act.
- (e) An entry under protection is not to be considered as being in good standing for the purpose of establishing priority as against another applicant for pre-emption who is in good standing, unless the homesteader proves that he is in actual residence.
- (f) In case the homestead entry of an applicant for a pre-emption entry is subject to an application for cancellation, the question of right of such homesteader shall be subject to decision of the Agent on the best evidence available. If sufficient evidence is not available to warrant a decision he may withhold entry and refer to Head Office, and the reservation will be continued until the decision of Head Office is received, and the position of the other applicant, or applicants, will be maintained in the meantime.
- (g) The question of the good standing of a homesteader applying for pre-emption entry is not to be raised, except in case of conflicting application for pre-emption by another homesteader or by a squatter before survey or by an applicant for homestead entry, either free or purchased, or by an applicant for cancellation.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son or daughter, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent. (not sub-Agent.)

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead, a pre-emption or a purchased homestead, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

Homestead and Pre-emption -
Walter G. Dodd.
Entry made in 1916.

Question - - Disposal of land.

Cancellation proceedings were instituted on the 16th June last under section 26 of the Act.

No defense has been filed and Inspector Mayberry reported on the 28th September that only a short period of residence had been performed, none that could be counted - - that the entrant formerly resided in Alderson but had moved to Casles, Alberta, in the spring of 1920 - - that improvements consisted of a house on the homestead, worth \$60.00 and 35 acres cultivated on the homestead in 1917, of no value now.

The Inspector claimed that 120 acres of the homestead were fit for cultivation and that 80 acres of the pre-emption could be cultivated.

The question of cancellation was submitted on the 28th October but no action appears to have been taken.

The entrant is indebted to the Department to the amount of \$650.00 for seed grain and relief.

It is suggested that ^{these entries} ~~this entry~~ be cancelled and as the land is in Area "B" that the Agent be instructed to post it for ordinary entry subject to the charges for seed grain, etc.

(Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

- (3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that

is, on the morning of the 11th January, 1923.
(Entry in person or by proxy.)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of its valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land: \$ 541.60. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Sir:

Referring to your letter of the
26th ultimo addressed to Walter Dodds, Brooks,
Alta., it would be advisable to request one
of your roadmen, when in the vicinity, to
make special efforts for collection.

Homestead Inspector Harcombe's
report, it is noted, reads as follows:-

"I made careful enquiries and
ascertained Mr Dodds' addresses is, as
stated above."

The addresses given were: Brooks,
Alta., and Star City, Sask. As the latter
lies in the vicinity of co. 12-13-17-12,
the information would appear to be conflicting,
and it would be advisable to obtain more
definite information in this regard.

LAND REGISTRY

In 1915 the above land was heavily
encumbered with Good Grain, Podder and relief in-
debtedness by Walter C. Dodd, and the account now
stands as at \$741.01 - interest computed to the 31st
March last.

Neither quarters are patented, and con-
sequently the Liens are not registered. I would,
therefore, request that you have an Inspector visit
this land with a view to obtaining some payment to
the credit of this account. He should also make
a complete report as to cultivation, by whom and
under what agreement, and any other information which
may be of service to the Department in effecting
liquidation.

Re: Account of Walter Garfield Dodd
S# 25-17-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1919 and 1920 seed grain amounting to \$541.60 was advanced to Walter Garfield Dodd on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

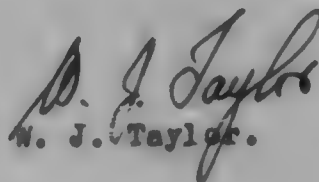

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$541.60	\$1,249.17	\$1,790.77

The S# 25-17-10-W.4th were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 29th of December, 1922, and the land is still unalienated Crown land held in the right of the Province.

In 1925 the homestead inspector in a report stated that this half-section of land was sandy and unsuitable for cultivation and that it had all gone back to weeds and grass.

According to an Abstract of Title dated the 25th of January, 1956, this half-section of land is still unpatented land held in the right of the Province, clear of any encumbrance.

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Patent was issued in the name of Frank Harrison Lloyd for the N.E. $\frac{1}{4}$ 18-24-14-W.4th on the 28th of September, 1914, and for the S.E. $\frac{1}{4}$ 19-24-14-W.4th on the 2nd of May, 1921, subject to the liens.

These two quarter sections are of very low assessed value and have never been revenue producing sufficiently to enable the repayment of the liens:

In 1929 the homestead in a report described the land as all stone and gravel and suitable only for grazing purposes. There was no buildings on the land and no cultivation.

The information obtained indicates that the land is unsuitable for farming purpose and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Section 10, Chapter 19, Statutes 1918, provides as follows:—

10. Subsection three of section twenty-seven of the said Act, as enacted by section three of chapter twenty-seven of the statutes of 1914, is amended by adding the following proviso thereto:

"Provided also that on the completion of the requirements under this section for obtaining letters patent for a pre-emption other than the payment for the same in the manner aforesaid, an application for letters patent may be made without immediately tendering payment in full, and in such a case the holder of the entry may on application to the Minister, receive a certificate of recommendation in the Form "J" in the Schedule to this Act, Countersigned by the Commissioner of Dominion Lands, setting forth that if within the period of time during which the certificate of recommendation is in force, payment is made in full of the purchase price of the pre-emption together with accrued interest, letters patent shall issue in the name of the holder of the entry; and such certificate shall entitle the holder of the entry during such period of time to mortgage, assign or transfer his interest in the land with respect to which the certificate of recommendation is issued; provided that at the expiration of one year from the date of the issue of such certificate of recommendation the same shall become null and void, but the operation of it may be extended in the discretion of the Minister."

Section 12 of the same Act makes a similar provision in reference to purchased homesteads.

This man has not been on this land for 4 years and is supposed to have sold to a man by the name of Patchett, of Hutton, who I called to see twice but he was away. Would recommend that Patchett be written to re this loan, as Lloyd is supposed to be at Melbourne but has no money.

The land is all fenced and there is a large cement stable, also good house on the N.E. $\frac{1}{4}$ 18. Buildings cost about \$1500 and are good. No cultivated land.

RE: Account of Frank Harrison Lloyd
N.E. $\frac{1}{4}$ 18 & S.E. $\frac{1}{4}$ 19-24-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to \$276.41 were advanced to Frank Harrison Lloyd on the security of the above mentioned land. Payments of \$25.10 and \$20.00 were received in 1924 and 1925, respectively, and applied to the principal and interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$264.40	\$509.90	\$774.30

Patent was issued in the name of Frank Harrison Lloyd for the N.E. $\frac{1}{4}$ 18-24-14-W.4th on the 28th of September, 1914, and for the S.E. $\frac{1}{4}$ 19-24-14-W.4th on the 2nd of May, 1921, subject to the liens.

These two quarter sections are of very low assessed value and have never been revenue producing sufficiently to enable the repayment of the liens:

In 1929 the homestead in a report described the land as all stone and gravel and suitable only for grazing purposes. There was no buildings on the land and no cultivation.

The information obtained indicates that the land is unsuitable for farming purpose and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

ACTION TAKEN

Sir, SEP 27 1912

Re West 1-20-13-1-W 4th Mer.

60
The local Agent at Medicine Hat has forwarded
your declaration of the 7th instant in reference of
the collection proceeds resulting from your homestead
and pre-emption entries, above mentioned, and from
the information therein contained, it would appear that
your lands are in very serious default both as regards
residence and cultivation.

You have held these entries for about three
years and have not improved one full period of residence,
and during the time you are in the land, have only
broken ten acres.

In view of the fact, however, that you are now
in default, no immediate action will be taken on the pro-
ceedings outstanding, but the same will be held over until
the 15th of November next to give you an opportunity to
complete a continuous period of residence to the full time
and to increase the area of your breaking to eight acres,
should conditions permit.

In any event, you will be required to advise the
aforesaid Agent as to the completion of the period mentioned

at once

Re W. 1--20--18--1--F.--4th--Mer.

Referring to the cancellation proceedings instituted against your homestead and pre-emption entries for the above described land, I beg to inform you that the Department is in receipt of a report by a Homestead Inspector which sets out that you have not performed your duties in a satisfactory manner. According to the evidence obtained by the Inspector from settlers in the vicinity you have performed no bona fide residence nor are you making a very serious effort to undertake the completion of the requisite cultivation duties.

Under all the circumstances of the case it has been decided that as you have held entry for the land since the 22nd of November, 1909, to grant you a final period of thirty days from this date within which to fully satisfy the Agent of Dominion Lands at Medicine Hat that you are in bona fide residence with the intention of remaining there and completing the required duties strictly in accordance with the Regulations, and to warn you that should you fail to do so the Agent will summarily cancel the entries and dispose of the land without further notice.

Sir:

Owing to the vast amount of work entailed in connection with receiving and checking through returns for Seed Grain Distribution it has been impossible up to the present time to give the attention to the matter of complaints which its importance would demand. This matter is now being taken up and will be dealt with in the near future.

This Department has made every effort possible to supply farmers with the very best quality of Grain obtainable and have exercised every precaution to guard against inferior Grain being distributed.

I might say that it will be necessary, in each case, for complainants to furnish me with a sworn declaration setting forth the exact nature of their complaint. If you will give your attention to this matter it will facilitate the work in making final adjustment.

Nelson Spencer Esq.,

Dear Sir

Re the Seed wheat that the Government distributed here this spring. There must have been a couple of cars that were absolutely no good at all. I have heard of a number of people complaining that they sowed this wheat and it never came up at all.

I will here give you a few specific cases of men that got wheat:-

August March- ^{7/10} Sec 20-Twp 18- ge 1 W 4th had 94 acres, and nothing at all came.

Reinhold Hauser ^{1/2} Sec 28-18-1-W-4th had 75 acres, and none came up

Christian Hauser ^{n 2 25} Sec 30-18-1-W-4th had 33 acres and none came up

There is also C. P. Becker. Sec 28-11-3-W-4th about 40 acres and none came up

Some of these people have the Government Inspector tickets yet from the wheat. It certainly seems to me that the Government should send the Land Inspector out and look after this, as it seems a shame that these people should have to pay for this wheat, which was no good.

Hoping that you will give this your attention, and see what can be done in regard to this. Yours truly

Dear Nelson:-

I have been asked by quite a large number of farmers around this district to try and find out for them what can be done for them as they claim that a large part of the seed wheat that they got from the Government has failed to come up.

Some seem to think that the grain has been frosted, and some seem to think that it might have been heated in the elevator.

Will you kindly call me on the phone tomorrow and advise me as to what I can tell any more farmers that may happen to come in on this question.

Hoping all is well, I am

Yours truly

Dear Sir:-

I enclose herewith letters received from Mr. Carl Beny and Mr. Fred Crewe of Irvine relative to some seed wheat which was distributed by the Government at that point this season, also a report on the subject by Mr. William Switzer, Homestead Inspector, whom I asked to visit these farmers and to see if what these men stated were facts. You will therefore see from Switzer's report that the statements are confirmed, and I would suggest that they be reimbursed for the amount of wheat which did not come up.

Sir:-

I beg to acknowledge receipt of your letter of recent date with enclosures of Carl Beny and Fred Crewe, of Irvine, relating to some complaints from farmers in that district regarding the quality of the seed grain received by them.

On account of the pressure of work in this office the matter of dealing with complaints has had to be left for some time. I am now investigating the cases mentioned in this correspondence, and the settlement will be made with these parties at the earliest possible moment.

These letters which you have enclosed contain a general statement to the effect that a number of farmers in that vicinity are complaining regarding their grain; I can only deal with these as individual cases and these complainants must make statutory declaration setting forth the exact nature of their trouble. Upon receipt of this, the matter will be taken up at once.

I regret very much delay in replying to your correspondence.

Memorandum.

Re Complaints of Farmers regarding Seed Wheat
of inferior quality advanced them by the
Government.

Mr. Nelson Spencer, M.L.A., of Medicine
Hat, has brought to the attention of the Department
through the Commissioner of Immigration four cases
where it is claimed advances of seed wheat of an
inferior quality were made to farmers and he suggests
that such farmers be re-imbursed for the amount of
wheat which did not grow.

I beg to submit a statement in regard to
each case.

August March, N.W. $\frac{1}{4}$ of 20, 18, 1, W. 4th M., homestead
unpatented.
S.W. $\frac{1}{4}$ of 20, 18, 1, W. 4th M., pre-
emption unpatented.

Seed grain advances,-
100 bu. Wheat at \$1.50 per bu.
60 bu. Oats at .85 " "

Mr. March states as follows in a statutory de-
claration made on the 2nd August, 1915:

"The seed grain consisting of wheat of 100 bushels
taken for seed from the Government was absolutely no
good. That this was sown on mostly all good fertile
summer fallow land and which I had put in first class
shape. That the grain was sown on the 18th day of
April, 1915, and about 15% sprouted but sprouts curled
back in the ground and then died; 85% of this grain
was absolutely no good. I have all my life farm ex-
perience but surely cannot account for this. I have
resown this all with flax and oats, it being impossible
to get any more seed wheat and as well it was too late
for wheat. I regret very much that I have now to contend
with the various kinds of noxious weeds which I have
sown in my soil through the Government seed. I have
been under considerable expense through this hauling out
of grain, reseeding, etc."

W.W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

Homestead Inspector Switzer reported as follows in this matter;

"Mr. August March of the W. $\frac{1}{4}$ Sec. 20-18-1-4th M., also got 100 bus. wheat and 60 bus. oats. The oats in this case were also excellent but the wheat while parts of it have come up yet is a very poor crop. This wheat was sown on land as follows;- 8 acres which was broken in 1913 and cropped in 1914 and the balance on land which was broken in 1914 and 1915."

Reinhold Hauser, S.E. 28, 18, 1, W. 4th M., unpatented pre-emption.
S.W. 28, 18, 1, W. 4th M., patented homestead.

Seed grain advances,-
100 bu. Wheat at \$1.50 per bu.
99 bu. Oats at .85 " "

Mr. Hauser stated as follows in a statutory declaration made on the 2nd August, 1915;

"The seed grain consisting of wheat and seventy-eight bushels were absolutely no good. That this seed was sown on good fertile summer fallow and good shape twelve acres were new braking and well disced, and sixty three acres were all plowed in the month of June, 1914, and also well put in shape before seeding, grain sowed on April 15th, 1915. About 15% started sprouting, sprouting upwards, then curling down back in the ground and died. 85% did not sprout at all. I have been at farming all my life but never experienced anything like this before. I was then compelled to purchase flax seed and have sowed the whole 75 acres in with flax since it was too late to reseed with other grain. That I am this much ahead I have now a variety of noxious weeds in my land to contend with which I regret very much. That I have been under considerable expense, work and such like through receiving from the Department such seed grain, hauling out the grain and reworking the land."

Homestead Inspector Switzer reported as follows in this matter on the 28th June, 1915;

"Mr. Reinhold Hauser of the S. $\frac{1}{4}$ of Section 28, Township 18, Range 1, West of the 4th Meridian got 100 bushels of wheat and 99 bushels of oats. The oats were O.K. and 11 sacks (22 bus) of wheat were fair, but the balance of 39 sacks were sowed on land which was summer fallowed in 1913 and cropped in 1914, but the crop in 1914 did not materialize and on 12 acres which was broken in 1913 and sowed in oats in 1914 and the balance on land which was ploughed in June and July of 1914. I might add that the 11 sacks spoken of above were taken out of one car, and the 39 sacks from another car."

Christian Hauser, N.E. $\frac{1}{4}$ of 25, 18, 2, W. 4th M., un-
patented homestead.
N.W. $\frac{1}{4}$ of 30, 18, 1, W. 4th M., un-
patented pre-emption.

Seed grain advances,-
100 bu. wheat at \$1.50 per bu.
51 bu. Oats at .85 " "

Mr. Hauser stated as follows in a statutory de-
claration made on the 2nd August, 1915:

"The seed grain consisting of wheat received of the
Government, thirty-three bushels were absolutely no good.
That this seed was sown on good fertile summer fallow land
and worked in first class shape, all sown on last year's
plowing month of June, 1914, and well put in shape. Grain
was sown on the 16th day of April, 1915. 85% of this grain
did not sprout at all, about 15% sprouted, sprouts curled
back in the ground and then died, grain sowed in April.
I have studied farming all my life but I cannot account
for this. I have re-sowed eleven acres of this with flax.
I would have re-sown all of this land but it was late and
I was unable to get or purchase any more seed. I regret
very much that I have through seeding this wheat as well
got a variety of noxious weeds in my land. I have been under
considerable expense, work and reseeding again, etc."

Homestead Inspector Switzer reported as follows in
this matter on the 28th June, 1915.

"Mr. Christian Hauser of the N.W. $\frac{1}{4}$ 30-18-1-4th M.,
and the N.E. $\frac{1}{4}$ 28-18-2-W. 4th M., also got 100 bus. wheat
and 60 bus. of oats. The oats in this case were also
excellent and 80 bus. of the wheat which was taken out of
the same car as the 22 bus. spoken of above is O.K., but
this man got 20 bus. out of the same car as the 39 sacks
spoken of above which wheat certainly was very poor. These
20 bus. were sowed on summer fallowed land while the 60
bus. was sowed on land which had been cropped in 1914 and
which is certainly an excellent crop."

Karl P. Becker, N.E. $\frac{1}{4}$ of 28, 11, 3, W. 4th, unpatented
purchased homestead.
N.W. $\frac{1}{4}$ of 28, 11, 3, W. 4th, patented
homestead.

Seed grain advances,-
150 bu. wheat at \$1.50 per bu.
123 bu. Oats at .85 " "

No statutory declaration in this case.

No homestead inspector's report.

Complaint was made on behalf of this homesteader by
Mr. Carl Bery of Irvine, Alberta, who stated as follows:

"There is also C.P. Becker, Section 28, 11, 3, W. 4th M.,
about 40 acres and none came up."

As several complaints of this nature are being
brought to the attention of the Department, it appears

necessary

necessary that some procedure should be adopted to investigate such complaints.

I beg to quote for your further information a paragraph contained in a letter of the 12th August last from Mr. J. Bruce Walker to Mr. Nelson Spencer:

"On account of the pressure of work in this office the matter of dealing with complaints has had to be left for some time. I am now investigating the cases mentioned in this correspondence, and the settlement will be made with these parties at the earliest possible moment."

I also beg to quote a paragraph which Mr. Walker has included in several letters which he has written to farmers who have made complaints:

"This Department has made every effort possible to supply farmers with the very best quality of Grain obtainable and have exercised every precaution to guard against inferior Grain being distributed."

In my opinion, complaints of this nature are not matters which should be taken up in the Land Patents Branch.

Respectfully submitted,

Controller.

IN YOUR REPLY REFER TO NO. 602204 (1915)

Ottawa, 29th February, 1916.

MEMORANDUM

Mr. Cory.

I return you herewith Head Office files Nos. 2010456, 1876020, 1879738, 2131101, 1491743, 2131103 and 2131081, complaints against the quality of seed grain distributed and claim for reduction in accounts on account of said poor quality. These are a portion of the 162 cases mentioned in previous memoranda to yourself.

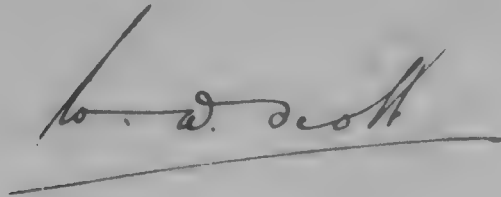

I have spoken to Mr. George H. Clark, Seed Commissioner, who is thoroughly satisfied that some unfit seed was distributed and that in such cases proper allowance should be made to the purchasers. I would suggest that Mr. Campbell, of the Seed Grain Branch, be instructed to at once deal with all known cases, sending the letters which he writes to Mr. N.O.Cote for his signature. This method would relieve Mr. Cote of the bulk of the work and at the same time have his staff familiar with the policy pursued in case some future cases might require attention after the Seed Grain Branch is closed up.

In dealing with known cases where the applicant for refund has previously been asked to supply statutory declaration and has neglected to do so, I think such cases might properly be considered as closed and requests for refund looked upon as dropped.

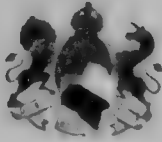

I enclose draft of declaration by settler and declaration by neighbour which I think would constitute about as good evidence as we could have in cases of this kind. After making whatever alterations you see fit in the same, I would suggest that you have 1,000 of each run off on the multigraph
machine

machine in Mr. Lynch's office, and if you approve of my suggestion, have the necessary instructions issued to Mr. Campbell and advice given to Mr. H.O.Cote.

Complaints re quality of seed

Memorandum:-

Mr. H. J. Cote,

The arrangement outlined in Mr. Scott's memorandum of the 29th ultimo, hereunder, seems satisfactory, and if you concur, I would be glad if you would get in touch with Mr. Beddee and Mr. Campbell of the Seed Grain Branch, at once, so that Mr. Campbell can prepare the necessary letters for your signature. All letters should be written on head office files, on your letter paper, and a copy should be sent to the Agent of Dominion Lands for the district. Care should be taken that the Agent of Dominion Lands is advised of the decision which is ultimately reached so that he will know whether it is necessary to reduce the amount which he has recorded against settlers in his records.

I beg to send you the accompanying files and to call your attention to the Deputy Minister's memorandum of the 1st instant, addressed to me, establishing the procedure to be followed in dealing with complaints of the quality of seed grain which was distributed last year.

I sent you yesterday a package of the official paper used by this Branch. It will be necessary, following the usual practice of the Department, that all letters submitted to me for signature be initialed in the margin by yourself or Mr. Campbell and that each case be dealt with separately on its own file.

BOARD ORDER NO: 11,320.

Re: N.W. 20-18-1-W. 4th Meridian,

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,320, APPROVES the settlement outlined therein and DOES HERBY RECOMMEND:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Thirty-Five Dollars (\$35.00) to the credit of the Joint Relief Advances, the debt will be paid.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

Dominion Member, Seed Grain and Relief Adjustment Board.

TO:

The Honourable,
The Minister of Northern Affairs and National Resources,
OTTAWA, Canada.

JUL '20 1956

3-11-1

BOARD ORDER NO: 21,320.

Re: H.T. 20-18-1-W. 4th Meridian,
August Marsh Estate,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 1st, 1956, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. S. Niemann,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

June 1st, 1956.

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: N.W. 20-16-1-W. 4th Meridian,
August March Estate,
Joint Relief Advances.

The above named debtor obtained an advance as
herein set out for which a Lien has been registered against his Title.

April 6th, 1922	\$ 63.00	
Interest to 31/12/55	<u>73.94</u>	
	136.94	
Payments	<u>54.75</u>	
Total		<u>\$82.19</u>

A Solicitor in dealing with the Title to this
parcel for administration of the Estate of the debtor communicated with
this office requesting particulars and was given a standing of the account
as above.

An offer and payment of Thirty-Five dollars (\$35.00)
was received for a full compromise settlement and release of the encum-
brances. In view of the fact that in considering the original amount of
the account substantial payments have been made, I feel that the present
offer should be considered satisfactory as same will provide for repayment
of the full principal amount together with a substantial portion of the

(Cont on Page 2)

interest charges. The beneficiary of this Estate is the widow, who is an elderly lady, and her two sons acting as administrators of this Estate are operating the land and giving her the proceeds over and above the expenses.

I would, therefore, recommend that this payment of Thirty-Five dollars (\$35.00) be accepted as a satisfactory settlement of the account in full and upon application being made, the account be adjusted so that it will stand paid in full and the Lien be released from the Title.

Yours very truly,

Scherkas

Re: E. 1 9 & N.W. 10 & S. 1 16-24-9-W4

This Department has an old account against the above noted land for advances of seed grain, fodder and relief to Fred B. Hassett in 1915 and 1916. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Re: Account of Frederick Blenner Hassett,
Ex 9 & Ss 16-24-9-24.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Frederick Blenner Hassett received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$702.15 of which \$232.64 is principal and \$469.51 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir: // Re: Account of Frederick Blenner Hassett,
Et 9 & St 16-24-9-W4th

Your letter of February 29th addressed to Albert Charles Bailey, Cabin Lake, Alberta in connection with the lien for seed grain, fodder and relief registered against the above land, has been handed to me by his nephew, A.G. Wigg for attention. The lands against which this lien is registered are not very valuable and they were assessed at \$2.00 per acre. These lands are also subject to a mortgage in the sum of \$500.00 which the nephew, A.G. Wigg and his sister, Mrs. Mary Hamilton, have not yet been able to pay off. Mr. Albert Charles Bailey, the registered owner of the land, died on the 15th day of November, 1947. It seems the late Mr. Bailey purchased these lands from Mr. Hassett and apparently had received the seed grain, fodder and relief for which the lien was registered. Mr. Wigg and his sister, Mrs. Hamilton, were not aware there was such an encumbrance on the land in question, but they are anxious to have a clear title to the land and so have instructed me to offer \$100.00 cash in full settlement of the amount due under this lien.

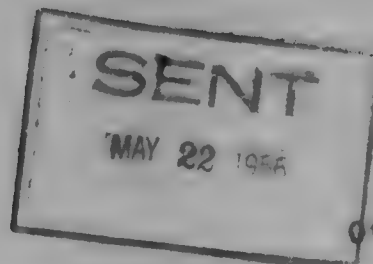

Please let me know as to whether or not this offer will be accepted.

Yours truly,

Dear Sir:

Re: E 9 & S 16-24-9-W.4th

We have your letter of the 7th of May, 1956, informing us that there are certain Dominion liens registered against the above land in the name of Frederick B. Hassett and asking whether this Department will accept a cash offer of \$100.00 in full settlement of these liens.

After giving consideration to the facts which you have supplied in your letter, we believe that the Seed Grain Advisory Board will give favourable consideration to granting a substantial reduction in this case. In order to assist the present owners in clearing their title if they will remit the amount of the suggested offer, namely \$100.00, within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal account.

Yours very truly,

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Minister apportion and adjust the Federal indebtedness more particularly described in the attached report, so that on application of the sum of one hundred dollars (\$100.00), the debt will be paid.

RE: Account of Frederick Blenner Hasset
Rt 9 & St 16-24-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$232.64 were advanced to Frederick Blenner Hasset on the security of the R.E. 9-24-9-W.4th and later the liens became attached to the remaining land described above. In 1928 one small payment in the amount of \$6.40 was received and applied to interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$232.64	\$469.51	\$702.15

In reply to our recent enquiry concerning the Federal indebtedness charged against the land, Mr. D.E. Bell, B.A., Barrister, Solicitor, Etc., Chinook, Alberta, on the 7th of May, 1956, wrote as follows:

"RE: Account of Frederick Blenner Hasset.
Rt 9 & St 16-24-9-W.4th

Your letter of February 29th addressed to Albert Charles Bailey, Cabin Lake, Alberta in connection with the lien for seed grain, fodder and relief registered against the above land, has been handed to me by his nephew, A.G. Please let me know as to whether or not this offer will be accepted."

Information received from the Secretary-Treasurer of the R.M. of Special Area No. 300 in 1952, confirms Mr. Bell's statement that these two half-sections are only worth \$2.00 per acre.

The nominal sum of \$100.00 has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

Dear Sir:

Re Your file 2029392 - Herman Roos,
S. W. $\frac{1}{4}$ of 34-14-3, W. 4th Meridian,
Our file -- 876.

We have received a copy of your letter of the 10th of August, which you directed to the Registrar, requesting him to remove from the above land liens for \$221.60, \$87.90 and \$76.30, respectively. We have to refer you to your letter of the 8th of May last in which you advised us of the amount necessary to discharge the liens, and having paid this amount we expected that the liens would have been discharged.

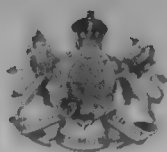

We are advised by the Registrar that after discharging the liens for \$221.60, \$87.90 and \$76.30, there are still liens for \$39.40, \$69.30, \$53.00 and \$78.25. We must ask that you kindly look into the matter immediately and have further instructions given to the registrar to remove the liens as we have paid the total indebtedness of the owner of this land and require clear title.

The matter of an application for an adjustment of
indebtedness outstanding against the above mentioned party
is referred to you, constituted as a Board to deal with such
cases. Having completed an investigation I am now in a position
to report as follows:

In 1919 seed grain amounting to \$88.00 was advanced
to Albin J. Durkee on the security of the above mentioned land.
A payment of \$29.88 was received in 1924 and applied to the
interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$88.00	\$200.75	\$288.75

Patent was issued in the name of Albin J. Durkee for
the N.W. 1 25-27-14-W.4th on the 1st of December, 1910, subject
to the 1919 lien.

This quarter-section is of very low economic value
(\$200.00) and has never been revenue producing sufficient to
enable the repayment of the lien.

According to an Abstract of Title dated the 10th of
January, 1928, this quarter-section was at that time in the name of
Her Majesty the Queen in the Right of the Province of Alberta as
represented by the Minister of Municipal Affairs.

The information obtained indicates that the same is such
that it no longer offers any security of value for the lien.
Under the circumstances it is recommended that indebtedness be
cancelled and the lien discharged.

Dear Sir,

I filed on Homestead land which I still occupy (S.E. $\frac{1}{4}$ sec. 12, T 13, R 19 W 4 ~~14~~) Nov. 2. 1906.

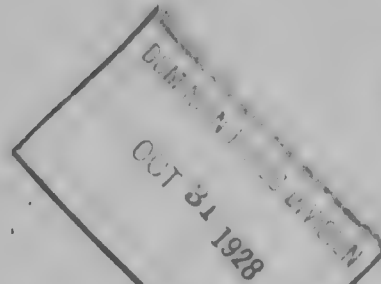

I hear that those who filed prior to 1900 can do so again if they find lands within nine miles, if so I wish to obtain the right to apply for other lands which I could use for grazing purposes at least

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,402, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of One Hundred and Seventy-Two dollars and Thirty-Nine cents (\$172.39) to the credit of the Joint Relief Advances the debt will be paid.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

Dominion Member, Seed Grain and Relief Adjustment Board.

BOARD ORDER NO: 11,402.

Re: E.g. 1 & S.E. 12 both in
13-19-W. 4th Meridian,
Charles Leigh Seerist Estate,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated November 28th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hirman,
Provincial Treasurer,
Province of Alberta,

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: E. 1 & S. E. 12 both in
13-19-W. 4th Meridian,
Charles Leigh Seerist Estate,
Joint Relief Advances.

The above named debtor obtained the following
advances for which Liens were registered against the Titles:

June 26th, 1922	\$ 217.20
August 5th, 1922	30.15
November 15th, 1922	11.50
	<hr/>
Interest to August 31, 1923	266.85
	<hr/>
Payment	293.71
	<hr/>
Interest to Sept. 30, 1957	121.32
	<hr/>
Interest to Sept. 30, 1957	172.39
	<hr/>
Total	411.93
	<hr/>
	\$504.32.

Solicitors acting on behalf of the Estate
presented with this office and remitted the sum of
Four and Seventy-Two dollars and Thirty-Nine cents
(47.39) for a full settlement on a compromise basis.

(Continued on Page 2)

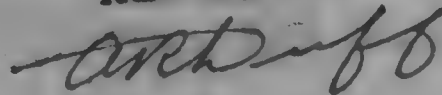

- Page 2 -

The assets of the Estate are very limited. The land is located in the South East part of the Province where severe drought conditions prevail and the debtor had great difficulty making ends meet over the years.

The amount tendered together with the previous payment of One Hundred and Twenty-One dollars and Thirty-Two cents (\$121.32) exceed the principal advanced.

Taking the foregoing into consideration I believe the settlement offered is fair and just. I would, therefore, recommend that upon application being made of the said payment of One Hundred and Seventy-Two dollars and Thirty-Nine cents (\$172.39) to the account it be adjusted so that it will stand paid in full and Liens be released from the Titles.

Yours very truly,

A. R. Duff,
Chief Collector,
Tax Recovery Branch.

DOMINION LANDS ADMINISTRATION

OTTAWA, 28th July, 1928.

Sir,-

1/4 Sec. 10 Tp. 7 Rge. 11 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Frank Unser, Esq.,

Lethbridge,

Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Re: Account of Frank Unser
W. 19-7-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to \$241.50 was advanced to Frank Unser on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$241.50	\$608.63	\$850.13

Patent was issued in the name of Frank Unser for the S.W. 1/4 19-7-11-W.4th on the 10th of March, 1913. The N.W. 1/4 19-7-11-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and on which a homestead entry was granted to another individual and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 26th of January, 1956, the S.W. 1/4 19-7-11-W.4th now stands in the name of Credit Foncier Franco-Canadien, clear of any encumbrance; while the N.W. 1/4 19-7-11-W.4th now stands in the name of a Mr. Anton Unser of Foremost, Alberta, also clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the indebtedness be cancelled.

Memorandum,

Mr. Hume.

N.W. 1/4 27-4-12-W. 4th M.,
Pre-emption of Martin Meer.
Entry granted 12th January, 1910.
Homestead patented.

This entrant applied for patent claiming duties as shown on Form No. 58 hereunder. Apparently his settlement duties were completed in a satisfactory manner but he failed to make payment of the purchase price, his indebtedness amounting on the 1st November last to \$688.06. He also owes nearly \$600.00 for Seed Grain and Relief.

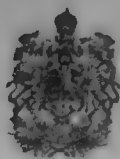

A Homestead Inspector's report made on the 8th June last shows that the entrant had left the land and was then at New Westminster, British Columbia. The Inspector states that both the homestead and pre-emption have been sold to John Hill on crop payments. The first two years Mr. Meer is to receive one-third of the crop, after that one-half. The Agreement of Sale is in the Royal Bank at Foremost, Alberta. The Inspector states that there were 200 acres in crop last season. Apparently 130 acres of the pre-emption has been broken.

On receipt of this report cancellation proceedings were instituted against the entry for default of payments and the entrant has filed a defence from Seattle, Washington. He states that he was in continuous residence up to the 26th November last when he became disabled and had to undergo an operation. As he was incapable of carrying on farm work he sold his place on crop payments, his share of the crop to be applied towards the purchase price of the land. He claims that this agreement was made under the advice of his banker at Foremost and he was under the impression that this arrangement would be satisfactory to the Department. He states that he feels sure that the crop will pay the balance due to this office.

In view of the above circumstances, will you please say if the cancellation proceedings may be held over to the 1st November next on the understanding that a substantial payment is made by that date.

Sir:

N.W. 1- 27- 4- 12- W. 4th N.,

I beg to acknowledge the receipt of your letter and declaration of the 6th ultimo, in defence of the cancellation proceedings outstanding against your pre-emption entry for the above land. It is noted that as you were prevented by disability from farming your land you sold same on crop shares and that you expect to be in a position to complete payment of the purchase price from the proceeds of the crop.

In reply I am to point out that the Department does not recognize the illegal sale of your unpatented pre-emption. The cancellation proceedings will be held over until the 1st December next on the understanding that by that date you will complete payment of the purchase price or in any case make a substantial payment on account. Your failure to do so will render your entry liable to cancellation.

Secretary.

Pre-emption -- Martin Meer.

In further reference to your letter of the 12th ultimo, I am to advise you that the Department cannot recognize the illegal sale of this unpatented pre-emption. The entrant has been advised of this fact and allowed to the 1st December next within which to complete payment of the purchase price or make a substantial payment on account. Should no payment be made the entry will be liable to cancellation. In case the purchase price is paid in full patent for the land may be issued in the name of the entrant.

In case the above entry was cancelled it is probable that the land would be posted for settlement under the conditions in force for that district, but your client could be given no assurance of priority, he would have to take chances with other applicants.

N.E. 27-4-12 W. 4th M.

This is the homestead of Martin Neer, patented in his name on the 21st April, 1913. In a report dated the 6th June, 1927, our inspector stated that this quarter had been sold to John Hill on crop payments, and that there was on the homestead a house, \$250.00, stable, \$500.00, granary, \$150.00, well, \$75.00, other buildings, \$25.00. Mr. Neer's address was New Westminster, B.C., but is now Seattle, Wash.

N.W. 27-4-12 W. 4th M.

This is the pre-emption of Martin Neer, on which there is owing \$578.94 to complete payment of the purchase price as on the 1st November, 1929. It is described as chocolate loam with clay subsoil, 150 acres fit for cultivation, 3 acres lake, improvements, fencing, \$15.00, 130 acres broken (1927). This quarter also was sold by Mr. Neer to John Hill. In explanation, Mr. Neer stated he had become disabled and sold the farm in good faith believing that he had the right to do so. A payment of \$150.00 was made on account of the purchase price of this land on the 15th February, 1929.

This half section was patented to Joseph Snowden on the 22nd June, 1912. Martin Neer claimed ownership of same at the time he secured seed grain, part of which was to be used on this land. There is no information relative to the half section on file.

Dear Sir:-

Encl.

As requested in your letter of the 4th instant, I am attaching hereto a statement of the seed grain indebtedness of Martin Meer, charged against the above described land.

Security.

N.E. 27-4-12 W.4th M.

This is the homestead of Martin Meer, patented in his name on the 21st April, 1913. In a report dated the 8th June, 1927, our inspector stated that this quarter had been sold to John Hill on crop payments, and that there were improvements valued at \$1,000 on the land.

N.W. 1/2 27-4-12 W.4th M.

This is the pre-emption of Martin Meer, patented in his name on the 12th March, 1930. A sale of this land to John Hill on crop payments had been agreed to by the Department, as Martin Meer had become disabled and was incapable of carrying on farm work. He was then living in Seattle, Washington.

S.W. 1/2 3-5-12 W.4th M.

At the time he secured the seed grain, Martin Meer gave the W. 1/2 3-5-12 W.4th as land which he owned and on which he intended to sow 70 acres of the grain. The N.W. 1/2 3-5-12 W.4th was released under the authority of Order in Council P.C. 97/447, dated 27th February, 1931, B.O. 3658. Both quarters were patented at Joseph Snowden on the 22nd June, 1912.

Re: Account of Martin Meer,
Rs 27-4-12-14.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Martin Meer received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is \$749.00 of which \$378.85 is principal and \$370.15 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Martin [unclear]
to 27-4-12-64

In answer to your letter of Feb 15th re the above lien, naturally I am interested in having the title of the land cleared, however you no doubt are aware of the situation existing among the farmers in that area at the present time.

We must definitely do not care to go further into debt by obtaining a bank loan with a high interest rate, just to clear a title which we understood to be already settled at the time of the purchase, or in the near future. I believe to the particular point was discussed in previous correspondence

However the fact remains, there
is a lien against the title, and
we would like it cleared if possible.

With a number of pressing obligations,
plus a large medical bill, and
with no bright prospect in the
sale of either a head, we feel that
the very most we could pay
would be \$350⁰⁰ which would
very well cover the principal.

Looking forward to a glorious
return by the steam, I remain,

RE: M₂ 27-4-12-W.4th

We are enclosing a copy of a letter received from Mrs. E. Linderman concerning the account of Martin Meer charged against the above land. A recent Abstract of Title shows that in addition to our Federal liens there are three other liens registered against this land for advances made by the Municipal District of Burlington No. 34. These liens are numbered 4429 B.Y. and 4600 C.W. and are in the amounts of \$34.00, \$66.00 and \$654.20.

In view of these it will be appreciated if you will investigate this account and advise Mrs. Linderman as to whether the proposed offer is acceptable. If it is satisfactory to you we are agreeable to having this payment applied on a prorated basis to our accounts.

We wish to thank you for your letter of the 1st of March, 1956, offering the sum of \$350.00 to settle the account of Martin Meer charged against the above land. A recent Abstract of Title shows that in addition to our Federal liens there are also certain other mortgages registered against this land for advances made by the Municipal District of Burlington No. 34.

As we believe you wish to have these encumbrances included in whatever settlement is made, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, concerning this matter. We expect that he will get in touch with you in the next few days.

Dominion and Joint Relief
Advances.

A copy of your letter of March 1st has been forwarded to this office by the Department of Northern Affairs and National Resources, Ottawa, with a request that settlement be negotiated through this office since the lands above described are also encumbered by Joint Relief Liens.

It is noted that you have made an offer of \$350.00 which would approximately cover the principal of the Dominion account. The account for Joint Relief Advances is outstanding in the amount of \$245.00 of which \$70.00 is principal and the balance accrued interest.

In view of your offer of \$350.00 with respect to the Dominion account alone, I would like to suggest that if you would consider increasing this offer to \$400.00 that amount would allow approximately \$50.00 on account of the Joint Relief Advances. I believe that the Seed Grain Relief and Adjustment Board would give favorable consideration to a compromise settlement of both accounts for that amount and if this suggestion meets with your approval, kindly forward a remittance to this office.

We would appreciate hearing from you within the next thirty days.

Your Ref. A.1759.

I am in receipt of your letters of December 18th and January 20th, and beg to express regret that owing to the fact that the files were temporarily mislaid, some delay has occurred in answering.

With respect to the liens stated by you as appearing registered against title to the above described half section, I may say that those were given by one, Ole Johnson, in 1915, to cover advances made to him on the specific security of the E. & 34-4-12 W. 4th Mer., and if your client is in a position to execute a statutory declaration to the effect that he is not the said Ole Johnson who incurred this indebtedness, and that the said Ole Johnson never held an interest in the E. & 30-13-25 W. 4th, the Department is prepared, on receipt of the same, to immediately take action to remove the liens in so far as the latter land is concerned.

Dear Sir:-

Re the Tollef Johnson.

I have yours of the 8th. with statement of liens
against the P.M. 35-4-10-4.

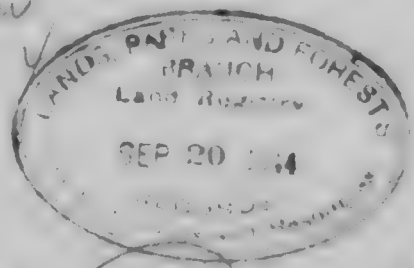

These liens are in the name of Mrs. A. Leer but those shown
on title referred to in my letter of the 20th. ultimo are in
the name of Ole Tollef Johnson. These are listed as follows:

O. T. Johnson to Brown	\$402.00	Int at 5% 10th. Feb., 1915. 28th. Sept. 1915.
do	\$320.65	
do	\$402.00	27th. Dec. 1915.
Podder	\$200.00	
Relief	\$111.75	

The latter three liens appear to be a duplication of the
amounts shown in the first two liens. The amounts do not agree
with those shown on your statement and are the ones which Mr.
Johnson claims to have paid.

Re: Account of Ole Tollef Johnson,
M.R. 14 & S.R. 34-4-12-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Ole T. Johnson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$1,580.67 of which \$522.38 is principal and \$1,068.29 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration; The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

LeCapelain

Dear Sirs:

Account of Ole Tollef
 Johnson, N.E. 14 & SE 14
 34-4-12 With.

Your letter dated February 15th addressed to Ole Tollef Johnson of Goddard, Alberta, has been referred to us with instructions to reply.

Mr. Johnson is now 80 years of age and is now in hospital at Lethbridge, Alberta. He has been in the hospital since November, 1955 and we cannot tell when he will be discharged because he is suffering from a serious heart condition and the hardening of arteries. In addition, Mr. Johnson appears to be suffering from lapse of memory and his mind does not appear to be clear.

Under these conditions, we have accepted instructions from his wife, Mrs. Bertha Johnson and his son, Orvin Johnson. It appears that Mr. Johnson is not in financial position to make any immediate offer of settlement. He has no money and what little money he will receive from wheat belonging to him by way of rent will have to be used to pay hospital and doctor bills.

Mr. Johnson has not farmed his land in many years. His land has been leased and the returns have not been as great as one might expect. Mrs. Johnson is grateful to the Government of Canada for the help which was given to her husband and herself in 1915 but unfortunately, because they have no money, she is not able to make more than a token offer of settlement and the offer is as follows:

Mrs. Johnson, on behalf of her husband, will

your convenience.

Dear Sirs:

RE: N.E. & S.E. 34-4-12-W.4th

You wrote to us on the 28th of February, 1956, and advised us of the extenuating circumstances which you believe warrant a reduction in the account of Ole Toller Johnson charged against the above land.

This appears to be a case deserving of special consideration and upon the receipt of the proposed payment of \$100.00, we will be pleased to recommend to the Board that this sum be accepted in full settlement of the Federal account.

Re: Account of Ole T. Johnson
S.E. 34-4-12-W.4th
N.E. 14-4-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$722.65 were advanced to Ole T. Johnson on the security of the S.E. 34-4-12-W.4th and later the liens became attached to the N.E. 14-4-12-W.4th. In 1915 a payment of \$205.55 was received and applied to principal and interest. The present standing of this account is as follows:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$522.38	\$1,068.29	\$1,590.67

In reply to our recent inquiry concerning the Federal indebtedness charged against the land, Messrs. Moscovich, Moscovich, Spanos and Matysz, Barristers and Solicitors, Oliver Block, Lethbridge, Alberta, on the 28th of February, 1956, wrote:-

"Your letter dated February 15th addressed to Ole Tollef Johnson of Goddard, Alberta, has been referred to us with instructions to reply.

Mr. Johnson is now 80 years of age and is now in hospital at Lethbridge, Alberta. He has been in the hospital since November, 1955 and we cannot tell when he will be discharged because he is suffering from a serious heart condition and the hardening of arteries. In addition, Mr. Johnson appears to be suffering from lapse of memory and his mind does not appear to be clear.

Under these conditions, we have accepted instructions from his wife, Mrs. Bertha Johnson and his son, Orvin Johnson. It appears that Mr. Johnson is not in financial position to make any immediate offer of settlement. He has no money and what little money he will receive from wheat belonging to him by way of rent will have to be used to pay hospital and doctor bills.

Mr. Johnson has not farmed his land in many years. His land has been leased and the returns have not been as great as one might expect. Mrs. Johnson is grateful to the Government of Canada for the help which was given to her husband and herself in 1915 but unfortunately, because they have no money, she is not able to make more than a token offer of settlement and the offer is as follows:

Mrs. Johnson, on behalf of her husband, will pay \$100.00 in full settlement of this account.

Will you kindly take this matter into consideration and let us have a reply at your convenience."

Information received from the Secretary-Treasurer of the Rural Municipal District No. 2, Foremost, Alberta, on the 21st of July, 1952, indicates that the assessed value of each quarter-section is only \$650.00.

After negotiations the nominal sum of \$100.00 has been received in full settlement of our account. Under the circumstances and in view of the previous payment, this is considered equitable.

Memorandum:

Mr. Hume.

S.W. 1/4-1-5-11-W.4th M.
Pre-emption - M. Krasman.
Cancellation proceedings outstanding.

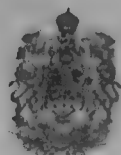

Mr. Krasman applied for patent for his pre-emption on the 13th November, 1917, claiming that the required duties had been satisfactorily completed. He failed to pay anything on account of the purchase price and there is also considerable Seed Grain indebtedness owing against the land.

In June last an Inspector reported that Mr. Krasman left the district in 1925 and there has been no seeding on the land for two years. The improvements on his pre-emption are as follows:-

House - lumber	18 x 24	Value \$250.00
add.	14 x 16		
Barn lumber	26 x 48	600.00
Granary "	12 x 20	75.00
Fencing		30.00
Well over 100 feet		250.00
Other buildings		50.00

Cancellation proceedings were instituted against the entry on the 11th July last and no defence has been filed. I would, therefore, recommend that he be allowed a final period of sixty days within which to state his intentions, failing, the entry is to be cancelled notwithstanding the winter protection which will then be in force.

Sir:

S.V. 1-5-11 W 4th Meridian.

I beg to call your attention to the fact that cancellation proceedings were instituted against your pre-emption entry for the above described land on the 11th of July last on account of your failure to make a payment on the purchase price.

No defence has been filed and as the Inspector reports that you left this land in 1925, and therefore have done no cultivation on the land since, it would appear that you are not desirous of proving up thereon. This renders your entry liable to immediate cancellation but the Department does not wish to cancel your entry without giving you another opportunity of stating whether or not you desire to pay for the land. You will therefore be allowed a final period of sixty days from this date within which to communicate with the Agent and advise him as to what your intentions are with regard to completing the payments. You will note that if this official does not hear from you within the time allowed, he is being authorized to carry out cancellation of your entry, notwithstanding the winter protection and to otherwise dispose of the land.

Sir,-

Re S.W. 1 1-5-11, W. 4th Meridian.

I beg to acknowledge the receipt of your letter of the 26th ultimo in defence of the cancellation proceedings outstanding against your pre-emption entry for the above land. Your letter is not clearly understood but I may point out that the Department could not lease the land so long as it stands in your name and you could not be permitted to rent the quarter in such a manner as to grant possession of same. However, there would be no objection to having the land cultivated on a crop sharing basis.

Patent for this land cannot issue in your name until the purchase price is paid in full and if it is not your intention to have the land farmed or to make an effort to pay for same in the near future, the entry cannot be continued in your name. However, if you can furnish the Department with any assurance that the land will be farmed next season and that an effort will be made to substantially reduce the indebtedness, your application for an extension of time may be considered. Kindly communicate with the Department, stating your intentions definitely, within thirty days of this date.

MEMORANDUM:

Mr. Hume,

S.W. 1-5-11-W. 4th M.
Pre-emption - Michael Krasman.
Entry granted - 14th January,
1910.

Cancellation proceedings were instituted
on the 11th of July, 1927 - default in payments.

Patent applied for on the 13th of November,
1917, showing the completion of the settlement duties.

Amount owing to the 1st of November last,
including interest \$365.54. Seed Grain indebtedness in-
cluding interest nearly \$400.00.

An Inspector in June last reported continuous
residence to Spring of 1928. Substantial improvements on
the pre-emption. No cultivation. The Inspector added
that Mr. Krasman has left the district, nothing done on
the land in the last two years.

On memorandum dated the 9th of November last
you authorized sixty days final notice.

On the 26th of that month Mr. Krasman wrote
to the effect that he was unable to pay anything at that
time, although he has buildings worth over \$2,000.00 on
the pre-emption. He requested that proceedings be held
over for three years.

He was informed that patent could not issue
until he paid in full for the quarter-section. He was
requested to state whether the land will be farmed next
season, and an effort made to substantially reduce the
indebtedness.

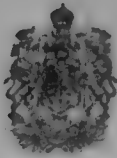

On.....

On the 6th instant the entrant filed a Statutory Declaration that he intends putting in a crop on the land this year, and to either return to same himself or send one of his boys; that if he receives a good crop he will make a good payment on the purchase price.

Kindly state if an undated extension of time, may be granted.

We do not know whether you have received payment in full for the liens, but if not, we are wondering you are prepared to discharge these liens in view of the low value of the property.

Dear Sir,

I beg to enclose herewith a statement showing the amount due in connection with indebtedness incurred by Michael Krasmann, on the security of the S¹-1-5-11-V.4th.

You will observe from the statement that the S¹-1, is mortgaged to the Netherlands Investment Company of Canada, 1400 Garry Building, Winnipeg, who have requested that an adjustment be made as regards the indebtedness to the Crown.

For your information I might state that when Mr. Krasmann made application to this Department for seed grain he stated that he had 130 acres under cultivation on the S¹, and that it was for this land he required the seed. I might also mention that the amount due in connection with his pre-emption, including interest to the 1st of November 1927, is \$255.54.

Mr. C. W. Martin,
Acting Commissioner of Dominion Lands.

Re. D.L.-1-1-11-4-Michael Brown.

Ottawa, 12th June, 1928.

Dear Sir.

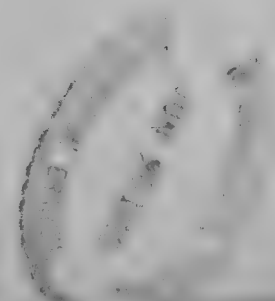

As requested by the late Mr. McIlmoyle in his communication of the 5th ultimo, I am forwarding herewith form duly completed showing the amount outstanding in connection with indebtedness incurred by Michael Krasman, on the security of the S. 1-5-11-W. 4th.

When this matter has been dealt with by your Board kindly let me have their report.

Yours sincerely.

Acting Commissioner.

File No. D-NI-K-7.

Department of the Interior, to the effect that when a prior mortgagee is able to establish that a loss is being sustained, no objection will be raised to the cancellation of the Dominion Liens, I would recommend that all such liens registered against the title of this property be unconditionally released.

The liens are also registered against the SW 1-5-11-4, the debtor's pre-emption entry, on which he is, apparently, still in residence. This land has considerably more improvements than the Southeast quarter. If, at any time, the debtor applies for an adjustment of the Dominion Liens on his pre-emption entry, on the grounds of his financial condition and in connection with a general settlement of his affairs, then his application could be dealt with separately by the Board.

Yours truly,

W. L. L. L.
Acting Director.

has been approved and has this day received the

Dear Sir:-

Re:- SE 1-5-11-4 - Michael Krasmann.
Dominion Seed Grain, Fodder and
Relief Liens.

In this case the Netherlands Investment Company of Canada, Limited, hold a mortgage on the above land, registered on August 25th, 1913.

In 1915 the above debtor obtained the following advances from the Federal Government, in respect of which liens are registered against the land:-

1915 Relief	\$ 35.00	
1915 Fodder	290.75	
1915 Seed Grain	<u>201.30</u>	\$527.05

He has made payments totalling \$291.20, leaving due, with interest to March 31st, 1928, the sum of \$386.03 for Seed Grain and Fodder.

The Mortgage Company have applied for cancellation of the liens in so far as they affect their security, on the ground that they will sustain a loss owing to the low value of their security when compared with the mortgage indebtedness, and have submitted a statement in which are included the following items, which, it will be seen, constitute actual capital expenditure:-

Principal of mortgage	\$1,000.00	
Taxes paid	323.15	
Solicitors' costs	<u>23.33</u>	\$1,346.48

There are, in addition, charges by the mortgagee for interest, insurance, etc., amounting, approximately, to \$875.00.

It has been established, by obtaining valuations from reliable sources, that the present sale value of the land is \$800.00.

It is clear, therefore, that the actual capital expenditure by the Mortgagee exceeds the present sale value of the land by a considerable sum, and, in view of the recent ruling received from the

Re: Michael Krasmann,
S.E.1-5-11-W.4,
S.W.1-5-11-W.4.

This case has received the investigation and recommendation of the Seed Grain and Relief Adjustment Board of Alberta as per the report attached to file under date of July 4th. The indebtedness consists of advances of Seed Grain, Fodder and Relief made by this Department to Michael Krasmann in 1915 in the extent of \$527.05 on which the amount now due is \$386.03 secured by the registration of liens against title to the S.W.1-5-11-W.4 and as charges against the debtor's pre-emption the S.W.1-5-11-W.4.

It is represented that the Netherlands Investment Company of Canada hold a mortgage registered against the S.E. of 1 in 1913 on which the actual capital expenditure now outstanding is approximately \$1,346.48 in addition to which there are charges by way of interest, insurance etc., totalling \$875.00. The sale price of this quarter has been established by valuation at \$800.00. The Committee, therefore, recommend in view of the fact that the Mortgagee's capital expenditure outstanding exceeds the value of the property and also in view of the recent ruling of the Department of the Interior that where such a condition can be shown to exist, no objection will be made to cancellation of the Dominion Liens, that those encumbrances be removed from title without consideration.

The Committee also recommends that as those liens are also a charge against the debtor's pre-emption, the S.W. of 1 on which he is apparently still in residence that they be continued to be held against the same.

I presume it will be in order to prepare the necessary Memorandum to Council.

In addition this individual obtained advances from the Province under the Agricultural Relief Advances Act which are outstanding in the amount of five hundred and forty-four dollars and twenty-four cents (\$544.24) including accrued interest.

The debtor had a very difficult time carrying on due to climatic conditions mainly township 3-11-4 being eligible for awards under the

As a result of somewhat improved conditions particularly as
to the of farm produce this debtor is now endeavouring to
place his affairs on a more sound basis. He first made an offer of
three hundred dollars (\$300.00) for this parcel and eventually
amended his offer to four hundred dollars (\$400.00) which the
debtor advises is the fair sale value at the present
time. Acceptance of the offer would have resulted in the removal
of all liability for these advances but left the debtor responsible
under a personal covenant. This was drawn to his attention and he
made an offer of three hundred dollars (\$300.00) for release under
a personal covenant. Taking into consideration the circumstances
the which he has been operating and the position he now finds
himself in in having to re-purchase his land I would recommend that
his offer be accepted. It is also recommended that the full amount
of \$400.00 be distributed
on a pro-rata basis between the various charges outlined above and
the tax arrears which amounted to one hundred and five dollars and
twenty-five cents (\$105.75) first allowing a nominal sum of five
dollars (\$5.00) to cover costs. This results in the following
distribution of the monies:

Joint Relief	200.50
Agricultural Relief Advances	159.19
Taxes	<u>27.05</u>

I would further recommend that the balances remaining after
application of these sums be written off and the liens discharged.

Provincial Seed Grain Advances of one thousand, four hundred and
twenty-five dollars and sixteen cents (\$1475.16) including accrued
interest to March 31, 1932 only have already been cancelled.

Dear Sir:

Re: NW 25-3-11-W.4th. - 2117677

I beg to quote hereunder my letter of May 3rd last which reads,

" I have been advised by Solicitors acting for the Canadian-Montana Gas Company that Lien #6829 B.L. stands registered against the title to the above described land. The lien was given by J. E. Douglas and registered on December 27, 1916 for amounts of \$51.00, \$28.00 and \$50.00. Our file pertaining to the account of John Earl Douglas refers to the S.E. 27-3-11-W.4th and it is noted under date of July 18, 1950 you forwarded discharge for various liens including amounts referred to above.

The recommendation of the Seed Grain and Relief Adjustment Board covering the S.E. 27-3-11-W.4th stated that after application of standing payments was made the balance of the account be written off and the liens discharged. If the account has been settled in full I would ask that you please forward the usual discharge of lien to the Registrar, Land Titles Office, in connection with the N.W. 25-3-11-W.4th and forward a copy for our file."

We do not appear to have received any reply to this communication and your early advice would be appreciated.

In reply to your letter of the 23rd July last in connection with your outstanding indebtedness for seed grain, fodder and relief, I beg to say that this matter is being referred to the Seed Grain Adjustment Board for report, and an receipt of the same you will be duly advised of the decision reached.

DOMINION LANDS ADMINISTRATION

13th September, 1926.

STATEMENT

of Seed Grain, Fodder and Relief indebtedness.

James H. Gibson
N.T. 25-8-10-7.4th.

FEDERAL

As per statement attached.

The Lience in his application for seed grain in 1916 stated he had 320 acres under cultivation on these lands, for which he received 121 bushels of wheat and 126 bushels of oats; in 1920 he stated he had 50 acres under cultivation on the N.W. 1/4, for which he received 100 bushels of oats; and in 1922 he had 150 acres under cultivation on the N.W. 1/4, for which he received 50 bushels of wheat and 100 bushels of oats.

PROVINCIAL & FEDERAL

50-50 Basis.
No Record.

PROVINCIAL

N.T. 25-8-10-7.4th.

This was the Lience's homestead, patent to which was issued in his name on the 7th March, 1913, but there is no evidence as to whether the 1915 Lience are registered against this land. There is no Homestead Inspector's report on file of recent years.

N.T. 25-8-1 -7.4th.

This was the Lience's pre-emption. According to a Homestead Inspector's report of 7th April, 1927, the land is described as sandy clay with clay sub-soil, particulars as to buildings not given, there was 160 acres shown as broken on the pre-emption and 150 acres on the homestead. From the evidence of Homestead Inspectors' reports and communications on file it would appear that the Lience had suffered frequent crop failures.

Representations have been made by James H. Gibson of Maleb, Alta., as follows:-

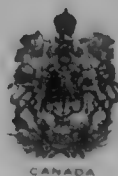

- "In regard" -

"In regard to my indebtedness to the Government on North 4-28-8-10-4 we are very anxious to pay up this fall if possible. We have had dry years for so long, and we have grown old in the meantime, but this is home to us, both wife and I are nearing seventy years of age, and quite old to move again if we lose this home, so am anxious to get it out of debt. Would it be possible to cut off some of that interest. I know we would be able to pay the principal with our children's help this fall, that would give us a home. So please write me and say the best you could do if we got help and settled it up this fall.

Sir,-

N.E. 1 Sec. 28 Tp. 8 Rge. 10 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

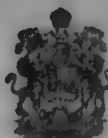

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have your letter of the 23rd June last. enclosing evidence of payment of municipal and school taxes in support of your application to be compensated for improvements which you effected on the quarter-section above mentioned while you held the land under lease for grazing purposes.

I may say, in reply, that the improvements, which have been valued by a Homestead Inspector at \$75.00, have been paid for in full by the present entrant, and inasmuch as you are indebted to the Department for seed grain and relief in connection with the North half of Section 28, Township 8, Range 10, west of the 4th Meridian, it has been decided to transfer the amount in question to your credit on that account, in view of which there will be nothing available for refund.

Re: Account of James Nelson Gibson,
MA 28-8-10-W4.

Dear Sir:

During the year 1915, 1920 and 1922 while homesteading the above mentioned land, Mr. James Nelson Gibson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$2,154.18 of which \$708.26 is principal and \$1,445.92 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

E.K. LeCaplain

Re: Account of James Nelson Gibson
N^o 28-8-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915, 1920 and 1922, seed grain, fodder and relief amounting to \$860.15 were advanced to James Nelson Gibson on the security of the above mentioned land. Payments of \$150.21 and \$75.00 were received in 1915 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$708.26	\$1,445.92	\$2,154.18

Patent was issued in the name of James Nelson Gibson for the N.E. 1/4 28-8-10-W.4th on the 7th of March, 1913, the land later becoming subject to the 1915 liens. The N.W. 1/4 28-8-10-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still Crown land held in the right of the Province.

This half-section of land is of very low assessed value (\$700.00) and has never been revenue producing sufficiently to enable the repayment of the liens. The land is situated in a drought area of the Province and is described as sandy with clay sub-soil and has been subject to frequent crop failures.

In reply to our questionnaire of the 9th of June, 1950, the Secretary-Treasurer of the Municipal District of Bow Island No. 13, Bow Island, Alberta, advised us that this half-section is assessed for \$700.00 and is now being operated by a Mr. Eugene Gibson of Bow Island, Alberta, and that there was an accumulation of \$1,525.96 arrears of taxes outstanding against the land. According to an Abstract of Title dated the 30th of January, 1956, the N.E. 1/4 28-8-10-W.4th has a tax notification registered against it, but as yet the municipality has not seen fit to acquire title under the Tax Arrears Act; while the N.W. 1/4 28-8-10-W.4th is shown as unpatented Crown land held in the right of the Province.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re: Account of William A. Carnagan,
W4 22-5-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. William A. Carnagan received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$1,248.78 of which \$410.30 is principal and \$838.48 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir:

RE: W 22-5-10-W, 4th

We wish to thank you for your offer of the principal amount of \$410.30 to settle the account of Wm. A. Cornagan charged against the above land.

In view of the extenuating circumstances which you have mentioned, we believe that your offer is a reasonable one and if you will remit this sum within a reasonable time, it will be recommended to the Seed Grain Advisory Board that this be accepted in full settlement of the Federal indebtedness. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: Account of Wm. Allen Carnagan
W. 22-5-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$410.30 were advanced to Wm. Allen Carnagan, on the security of the M.W. 22-5-10-W.4th and later the liens became attached to the S.W. 22-5-10-W.4th. No payment was ever made on this indebtedness until the sum of \$410.30 was received when the standing of the account was:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$410.30	\$838.48	\$1,248.78

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Mr. Perren E. Baker, 4677 Bellevue Drive, Vancouver 8, British Columbia, on the 8th of March, 1956, wrote as follows:-

"Your letter of Jan. 24th. has only now been forwarded to me from Nemiskam, Alta. The land in question I bought from my fellow homesteader in 1915.

I have for years been under the impression that the unrepaid advances to the early settlers for seed grain and relief had, as a matter of Government policy, been forgiven long ago.

That no reminder of the debt, with its accumulating interest, came from Ottawa all the intervening time seemed to confirm this.

To be unexpectedly asked now, in the retirement of old age, for settlement in an amount more than three times that of the original debt seems a hardship and not quite fair.

Admittedly the onus was on the debtor but would any other creditor, who intended ever to collect have let forty years pass with never a reminder of the mounting claim?

I will willingly pay the amount of the original loan but would respectfully ask the Board for a substantial reduction in the interest."

In 1952 the assessed value of these two quarter sections was only \$1,000.00 each.

The sum of \$410.30 representing the principal has now been received in full settlement of our account. In view of the extenuating circumstances and the fairly low value of the land, this is considered equitable.

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS

EDMONTON, ALBERTA
March 20th, 1957.

Dear Sirs:

Re: S. 27 & N.W. 24 both in

6-10-W. 4th Meridian,
William C. Strain,
Dominion & Joint Relief Advances.

Acknowledging your letter of the 5th instant it is noted that the above named debtor is now deceased and you request information with a view to settlement of the above mentioned accounts.

I am enclosing, herewith, copy of an itemised statement we received from Ottawa in 1954 which we have brought up to date with respect to the Dominion Advances account only.

In addition to this account Joint Relief Advances obtained by the above named party were as follows:

March 1st, 1920	\$ 352.45
March 1st, 1922	160.10
	<hr/>
Interest to 31/3/57	512.55
Total	1307.58
	<hr/>
	\$1820.13.

It may be stated that in this case the debtor applied for proceedings under the Farmers' Creditors Arrangement Act and in the year 1941 a decision was rendered providing for a compromise payment of both of these accounts for a total of \$750.00 being \$424.75 to the Dominion and \$325.25 to the Joint account but this settlement was not forthcoming and the both accounts have remained outstanding since.

It is my opinion, however, that in view of the large amount of accumulated interest charges the Seed Grain and Relief Adjustment Board would give favorable consideration to a compromise settlement probably on the basis of repayment of the principal and a portion of the interest charges of each account.

We would be pleased to receive such an offer accompanied by a statement of assets and liabilities of the Estate as they presently exist.

Yours very truly,

S. Charbon,
CHIEF COLLECTOR.

Re: Account of William Cameron Strain,
S.E. 1 27-5-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. William Cameron Strain received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$1,245.53 of which \$424.75 is principal and \$820.78 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

As there are seed grain liens Nos. 4548 C.W. and 4549 C.W. charged against his land by the Municipal District of Burlington No. 34 as of the 10th of September, 1920, we believe that he will also wish to have them included in whatever settlement is proposed.

Re: S.E. 27-5-10-W.4th

We wish to thank you for your letter of the 5th of March, 1956, informing us that if payment is made on your account charged against the above land, it will have to come out of your Old Age Pension.

A recent Abstract of Title shows that in addition to our liens there are seed grain mortgages registered against your land by the Municipal District of Burlington No. 34.

As we believe that you will wish to have a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having these mortgages included in whatever settlement is made. We expect that he will write to you within the next few days.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

DOMINION MEMBER, Seed Grain and Relief Adjustment Board.

TO:

The Honourable,
The Minister of Northern Affairs and National Resources,
OTTAWA, Canada.

JUN 28 1957

BOARD ORDER NO: 11.391.

Re: S. 27 & N.W. 34 both in
5-10-W. 4th Meridian,
N.W. 11 & N. 24 both in
6-10-W. 4th Meridian,
William C. Strain,
Dominion & Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 25th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

June 25th, 1957.

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: S. $\frac{1}{2}$. 27 & N.W. 34 both in
5-10-W. 4th Meridian,
N.W. 11 & N. $\frac{1}{2}$. 24 both in
6-10-W. 4th Meridian,
William C. Strain,
Dominion & Joint Relief Advances.

The above named debtor obtained the following
advances for which Liens stand registered against the Titles:

DOMINION ADVANCES:

Relief, 1915	A 26.00
Relief, 1915	51.20
Relief, 1916	110.00
Relief, 1916	9.30
Relief & Fodder, 1915	49.55
Fodder, 1915	34.00
Fodder, 1916	5.50
Seed Grain, 1915	139.20
	<u>424.75</u>
Interest to 31/3/57	842.02
Total	<u>\$1266.77.</u>

(Con't on Page 2)

JOINT RELIEF ADVANCES:

March 1st, 1920	\$ 352.45	
March 1st, 1922	160.10	
	<u>512.55</u>	
Interest to 31/3/57	1307.58	
Total		<u>\$1820.13.</u>

The debtor is deceased and the Solicitors for the Estate have offered and remitted Twelve Hundred and Fifty (\$1250.00) dollars for a compromise settlement in full of both accounts.

In 1941 the debtor applied for proceedings under the Farmers' Creditors Arrangement Act and a decision was rendered providing for a compromise payment of both of these accounts for a total of Seven Hundred and Fifty (\$750.00) dollars being Four Hundred and Seventy-Four dollars and Seventy-Five cents (\$474.75) to the Dominion account and Three Hundred and Twenty-Five dollars and Twenty-Five cents (\$325.25) to the Joint account but this settlement was not acted upon and both accounts have remained outstanding.

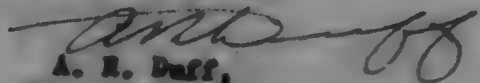

This land is located in the South East Section of the Province which for many years suffered severe drought conditions and cannot be considered a very valuable property.

The offer submitted is sufficient to retire in full the principal of each account and a substantial portion of the interest charges. In my opinion it is fair and just under existing circumstances.

I recommend that a pro rata distribution be made so that Five Hundred and Twelve dollars and Ninety-Six cents (\$512.96) be applied to the Dominion account and Seven Hundred and Thirty-Seven dollars and Four cents (\$737.04) to the Joint Relief account and further that after application of these amounts both accounts be adjusted so that they will stand paid in full and all corresponding Liens be released from the Titles.

Provincial Seed Grain Advances obtained by the debtor in the principal amount of Two Hundred and Thirty dollars and Sixty cents (\$230.60) together with accrued interest charges have already been cancelled.

Yours very truly,

A. E. Duff,
Chief Collector,
TAX RECOVERY BRANCH.

Re - Otto R. Iredale,
N.E. 15-3-10-W4M.

Under date of June 1st, 1920, Otto Roy Iredale gave a Lien in favour of this Department for \$154.00 to cover an advance of Seed Grain made to him on the security of his unpatented pre-emption the N.W. 14-3-10-West 4th Meridian.

This Lien is still outstanding bearing interest at 7% from June 1st, 1920, to date of payment.

The Lienor's pre-emption entry to the land quoted as security has been cancelled, but an Abstract of Title covering his patented homestead the N.E. 15-3-10-West 4th Meridian drawn under date of the 5th instant shows that the same still stands in his name.

Would you, therefore, kindly take the necessary action to register the Lien for \$154.00 against title to the N.E. 15-3-10-West 4th Meridian and so establish to some extent our security therefor.

Re:-N.W. $\frac{1}{4}$, 14-3-10-W. 4th Mer.,
Otto Iredale,
Joint Relief.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Joint Relief Liens charged against the N.W. $\frac{1}{4}$, 14-3-10-W. 4th Mer., for advances made to Otto Iredale, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated February 9th, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held homestead or pre-emption entry to the said land,
2. That the debtor did not complete his duties and his entry thereto was cancelled, and this quarter section is now vacant Crown land.
3. That the land is situate in an extremely dry District and has a low value being suitable only for grazing purposes, and it will not be possible to bring it back into use so long as it is encumbered with the liability of the original entrant, and for this reason it is desirable that the liens be discharged.
4. That the debtor left the District several years ago and all trace of him has been lost, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged and the total amount payable thereon be written off as uncollectible.

The Honorable,
The Minister of the
Interior, Ottawa,

1. That at the time the advances were made the debtor held homestead or pre-emption entry to the said land.
2. That the debtor did not complete his duties and his entry thereto was cancelled, and this quarter section is now vacant Crown land.

Dear Sir:-

RE : OTTO IREDALE.
N.W. $\frac{1}{4}$ -14-3-10-W4th (Unpatented).
Joint Relief.

This man obtained the following advance from the Provincial Government, and as security therefor executed an unpatented land lien against the above land which was duly forwarded to the Department of the Interior for filing:-

RELIEF: Lien #4884 April 15th, 1920, \$105.00
Interest to March 31st, 1932, 87.87 \$192.87

Owing to drought conditions the debtor failed to prove up and title to this land now rests in the name of the Crown in the right of the Province, having been transferred at the time of the Natural Resources. It appears that this quarter section may be taken to represent security for this advance but it is undesirable that any charge be held against it as retention of such a charge would militate against re-entry.

An Inspector's report on file shows that Iredale left the district some years ago, and there being no further security for this account I recommend the same be written off as uncollectable.

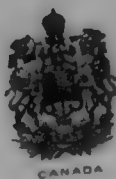

Yours truly,

WH/NW.

Sir:-

Referring to the above Board Order, which deals with Joint advances made to Otto Iredale. I beg to advise that there is also an advance for seed grain, a statement of which is attached, in the right of the Federal Government. As security the Department holds the above described quarter section, and also has registered the lien against the H.E. 15 3-10 W.4th, patented homestead of the licensee. As it is evidently the intention to clear the unpatented quarter of all charges, no action will be taken on Board Order No.5442 pending receipt of a recommendation covering the Federal indebtedness.

Dominion Liane

The said Board and Public Adjustment Board, appointed under Order P. O. 2200, hereby recommends that the Dominion Liane charged against the N.W. $\frac{1}{4}$, 14-3-10-W. 4th Mer., and the N.E. $\frac{1}{4}$, 15-3-10-W. 4th Mer., for advances made to Otto Iredale, be disposed of as follows:-

1. That all liene charged against the N.W. $\frac{1}{4}$, 14-3-10-W. 4th Mer., be unconditionally discharged.
2. That the liene remain as a charge against the N.E. $\frac{1}{4}$, 15-3-10-W. 4th Mer., until a further recommendation is submitted in connection therewith.

The Board submits the report of the Director, Debt Adjustment Act, dated June 15th, 1932, which report gives full details of all liene registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to the N.W. $\frac{1}{4}$, 14-3-10-W. 4th Mer., but failed in his farming operations and abandoned the land and his entry thereto was cancelled.
2. That this quarter section is now vacant Crown land.
3. That this quarter section is situate in an extremely dry District and has a very low value being suitable only for grazing purposes, and it will not be possible to bring the land back into use so long as it is encumbered with the liability of the original entrant.

4.

5. That it is desirable that the liens be retained as a charge against this quarter section until some disposition is made of the land and a further recommendation is submitted in connection therewith.
 6. That all trace of the debtor has been lost for several years and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the liens charged against the H.W. 1, 14-3-10-W. 4th Mer., be unconditionally discharged, and the total amount payable thereon be written off as uncollectible in so far as this quarter section only is concerned.

The Board further recommends that the total amount payable on said liens be retained as a charge against the H.E. 1, 15-3-10-W. 4th Mer., until a further recommendation is submitted in connection therewith.

This man obtained a Seed Grain advance from the Fed-
eral Government the account of which appears hereunder:-

Seed Grain, 1920,\$134.00
Interest to March 31st, 1932, 127.55

\$261.55.

He obtained this advance on the security of the N.E. 1/4,
15-3-10-W. 4th Mer., which was his patented homestead, and on the
additional security of the N.E. 1/4, 14-3-10-W. 4th Mer., which is his
cancelled pre-emption.

N.E. 1/4, 15-3-10-W. 4th Mer.

No disposition of the lien will be attempted with re-
spect to this land as the lien still appears on title and title
appears vested in the Crown in the Right of the Province.

N.W. 1/4, 14-3-10-W. 4th Mer.

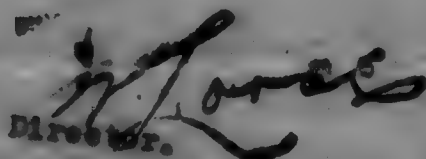

The Federal advance is held as a charge against this
quarter section, the debtor's entry to which has been cancelled and
the land is still vacant. It is situate in an extremely dry District
and is only suitable for grazing purposes. I do not think that it
would be advisable to hold this charge against the property as such
action would only have the effect of discouraging development of
the Country. I recommend therefore that this lien be discharged.

DOMINION LANDS ADMINISTRATION

26th October, 1932.

Re M.W. 14-3-10-W. 4th M.

With reference to the adjustment of the items outstanding against the above, I beg to advise that the Adjustment Board of Alberta in their reports dated 29th February and 16th June last recommended that all items be unconditionally returned in so far as the M.W. 14-3-10-W. 4th M. is concerned, but that the Dominion items be retained as a charge against the M.W. 15-3-10-W. 4th M.

Their recommendation has been ratified by Order in Council P.C. 101/2123, dated September 28th.

The Dominion lien for \$154.00 is not registered in the Registrar's office against the M.W. 14-3-10-W. 4th M., and a letter of consent to the withdrawal of the Joint Provincial and Federal lien for \$108.00 has this day been forwarded to the Deputy Minister, Department of Agriculture, Edmonton, for the necessary attention.

A notation has been made on our records that the Federal lien as well as the Joint Provincial and Federal lien are no longer a charge against the said M.W. 14-3-10-W. 4th M.

Your obedient servant,

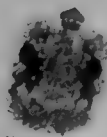

H. E. Hume,
Chairman, Dominion Lands Board.

Re: Account of Otto Roy Iredale
N.E. 1/4 15-3-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to \$154.00 was advanced to Otto Roy Iredale on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$154.00	\$386.28	\$540.28

Patent was issued in the name of Otto Roy Iredale for the N.E. 1/4 15-3-10-W.4th on the 3rd of March, 1917, and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 25th of January, 1956, this quarter-section of land now stands in the name of a Mr. Henry P. Mueller of Groton, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the indebtedness be cancelled.

QUEBEC, 11 juillet, 1913

L'honorable Ministre du Département de l'Intérieur.
O T T A W A.

Cher Monsieur le Ministre,

Un Monsieur Joseph Edouard Guérin, ci-devant demeurant à Altorado, Province d'Alberta, est mort vers le 19 juin dernier. Il possédait deux lots à cet endroit; il laisse comme seuls héritiers son père et sa mère qui demeurent à Lauzon, dans mon comté de Lévis; au moment de son décès, il avait 30 arpents en culture de blé. Il avait encore cependant sa maison à bâtir et à remplir quelques obligations exigées par la loi.

Voulez-vous se dire ce qu'ont à faire ses héritiers pour bénéficier des avantages de la loi; son père veut monter lui-même à Altorado pour voir à la chose; je suppose qu'il n'y aura pas d'objection à ce que son père continue à terminer les améliorations que son fils avait à faire pour bénéficier des avantages de la loi. Ce dernier est un de nos meilleurs amis politiques, et je voudrais que votre Département le protégeât. Comme référence, je m'en rapporte à votre collègue M. P. Pelletier qui est mon meilleur ami.

Votre très dévoué,

Alfred de Beauvoir

M. P. P.

The Honourable Minister,

Dear Sir,

A Mr. Joseph Guerin, formerly living at Altorado, Alberta, died the 19th of last June. He held 2 lots in that vicinity; he left as sole heirs his father and mother who live at Lauson, in my County, Levis; at the time of his death he had 30 acres of wheat under cultivation. He had however to build his house and fulfill some obligations required by law.

Will you tell me what his heirs have to do to benefit from the opportunities of the law; his father wishes to go himself to to see about the matter; I suppose that there will not be any objection to his father continuing to complete the improvements that his son had to make to benefit according to the law. The latter is one of my best political friends and I would like your Department to protect him. As reference I refer you to your colleague L. P. Belletier, who is my best friend.

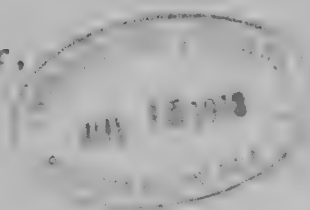

Yours very truly,

Sir,

S. 1 of 22-4-10, W. 4th M.

Referring to the statutory declaration which you executed on the 18th August last setting forth what has been done in the way of settlement duties on the homestead and pre-emption entries of your son, Joseph Guerin deceased, for the above described half-section, I beg to say that it would appear from the evidence submitted that the Legal Representative may be in a position, on or after the 18th November next, to make application for homestead patent, assuming that Letters of Administration of the estate are filed in the Department by that date.

I may say for your information that your son during his lifetime had his entries interchanged so that the South West quarter now stands as the homestead and the South East quarter as the pre-emption.

Joseph Guerin, Esq.,
Alterado,
Alta.

In.

In accordance with your son's expressed intention it is assumed that he erected the house, which you value at \$300, on the South West quarter. Should this not be so and the house be on the South East quarter it would seem advisable to have the entries changed to their original standing, as the regulations require that the house shall be on the homestead when application for patent is made. Will you be good enough to advise the Department further in this connection.

Your obedient servant,

Assistant Secretary.

Sir,

Re S. 4-22-4-10-W.-4th-Mer.

Replying to your letter of the 26th November last, enclosing certified copy of Letters of Administration in the matter of the estate of your deceased son the late Joseph Edward Guerin, who in his lifetime held homestead and pre-emption entries for the above described land, I beg to enclose herewith the Departmental Letter of the 1st of October last, and addressed to you at Altorado, Alta., and returned by the Postal Authorities as uncalled for, and to request that you advise the Department as soon as possible in regard to the second and last paragraphs thereof.

In regard to making application for patent for the homestead, I beg to say that if you do not feel disposed to return West for the purpose of making this application the Minister will furnish a County Court Judge, Justice of the Peace, or Notary Public in your vicinity with the requisite authority to receive your application upon your furnishing the Department with the name of some such official. If this course is taken the application will, when made, be forwarded to the Agent of Dominion Lands at Medicine Hat for the purpose of securing the evidence of two witnesses, in which connection it would be well for you, when writing the Department, to furnish the names of two or three settlers in the vicinity of your land who are in a position and willing to give evidence in support of the application.

Re: Account of Chas. Herbert Baldwin,
S.R. 22-4-10-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Chas. Herbert Baldwin received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$263.50 of which \$75.00 is principal and \$188.50 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Re: S.E. 22-4-10-W.4th

We wish to thank you for your letter of the 14th of February, 1956 informing us of the extenuating circumstances which you believe warrant a reduction in the seed grain account of Charles H. Baldwin charged against the above land. In view of this information, we are certain that the Seed Grain Advisory Board will be willing to grant a reduction in your case.

If you will remit the amount of your proposed offer, namely \$100.00, within a reasonable time it will be recommended to the Board that this sum be accepted in full settlement of our claim. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: Account of Charles Herbert Baldwin
S.E. 22-4-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain in the amount of \$75.00 was advanced to Charles Herbert Baldwin on the security of the above described land. No payment was ever made on this indebtedness until the sum of \$100.00 was received when the standing of the account was:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$75.00	\$188.50	\$263.50

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Mr. Kenneth Baldwin, Nemiskam, Alberta, on the 14th of February, 1956, wrote as follows:-

"Your letter Jan 8 - 56 & account Chas. Herbert Baldwin S.E. 22-4-10-W.4 I do think that I should have consideration on the lien against this quarter. I bought this land from my brother who lives in Vancouver with the understanding that it was clear except several years of taxes when I finished paying for the land & received the title there was the above lien against it. I am willing to give \$100.00 to clear it off. Some have told me that they have settled for the principal. I offered \$75.00 some time back but was turned down. If you could arrange for a settlement could you give me between now & the first of August to pay as we only have a one bushel quota here at present & could not pay from it. But am sure I could before the first of August."

The assessed value of this land in 1952 was only \$660.00.

After negotiations the sum of \$100.00 representing the principal and a partial payment on interest has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

Sir:

I beg to acknowledge the receipt of your declaration filed here in further defence of your homestead and pre-emption the West 1/4 of 2 - 8 - 10 W. 4th N., and in reply to say from the information furnished it would appear you have performed certain improvements on your land but are in default in regard to the residence duties. This is very unsatisfactory in view of the fact you held entry for this land since the 11th January 1910.

However, in view of your representations it has been decided to hold over the cancellation proceedings now outstanding against your Half-Section for a period of thirty days from this date, when it will be necessary for you to satisfy the Agent of Dominion Lands at Medicine Hat that you are then in actual bona fide residence upon your land with the intention of remaining there and faithfully complying with the Regulations.

The aforesaid Agent will report here at the expiration of that time, and I am to warn you that should it be found that you are in default you may probably lose your land.

Sir,

Adverting to my letter dated the 21st August last, in connection with the cancellation proceedings instituted against your entries as above described, I beg to say that the Agent of Dominion Lands at Medicine Hat reports failure on your part to furnish him with evidence of continuous residence on the land.

While the statutory declaration executed by you on the 29th July last, was satisfactory, so far as it went, the Department must insist upon you furnishing the said Agent with a further statement showing that you have continued to live on your half-section, and intend to remain there and comply with the regulations.

The Agent will again report in thirty days, and if he has received no word from you your entries will probably be cancelled.

Regarding the seed grain and relief indebtedness charged against the West half of Section 2, Township 8, Range 10, west of the 4th Meridian, the records of this office show \$664.53 due on March 31st 1923. To this should be added interest on \$440.80 at 7% from March 31st 1923 to date of payment.

As this amount has now been outstanding for some considerable time, I am to advise you that it is the wish of the Department that a settlement be made at as early a date as possible, and should you be unable to make settlement in full, that you reduce your indebtedness by a substantial payment.

It will be appreciated if you will kindly let me hear from you by return mail and if I may be advised as to the arrangements which are being made in connection with the amount outstanding.

With reference to your application for homestead patent for the above described land, I am to warn you that before same can be given consideration it will be necessary for you to furnish the Department with your Certificate of Naturalization as a British subject.

Entries of Ray M. Sewell.
Entries granted 1st November, 1917.
Cancellation proceedings outstanding
against pre-emption.

Mr. Sewell first obtained entries for these lands on the 11th January, 1910. He abandoned them and re-entered for them on the above dates. He has made an application for patent for his homestead, claiming sufficient duties as set forth on form No. 58A on the homestead file. (marked). No further action was taken in connection with this application as he failed to submit his Certificate of Naturalization as a British subject.

Cancellation proceedings were instituted against his pre-emption entry on the 18th July, 1921, on behalf of an applicant for inspection. In his defence of that year he claimed 202 acres broken and a satisfactory area under crop in each year.

On the 15th July, 1924, a Homestead Inspector reported that the entrant was at that time residing in Idaho, U.S.A. The only improvements consisted of a frame house valued at \$25.00 and the half-section all fenced, in poor repair, \$50.00. All the breaking on the pre-emption has gone back to seed, but no mention is made of the homestead.

Mr. Sewell has failed to make the necessary payments in connection with his pre-emption and is indebted for seed grain and relief amounting to a principal of over \$900.00.

In view of the information received, I would recommend that his pre-emption entry be cancelled and that the Agent be instructed to institute cancellation proceedings against his homestead on account of his failure to file a Certificate of Naturalization.

RE: Account of Roy N. Sewell
W. 1-8-13-W. 4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned land is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 and 1918 seed grain amounts to \$10.30 were advanced to Roy N. Sewell on the security of the above mentioned land. A payment of \$10.30 was received in 1926 and applied to the interest. The present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$540.80	\$1,342.35	\$1,883.15

The N.W. 1/4 and the S.W. 1/4 of 1-8-13-W. 4th were formerly the homestead and pre-emption entries of the donor and were cancelled on the 11th of May, 1926. The land was then put up for sale to both quarter sections have since been in the name of Mr. Peter Wutzke, and there is no record of the land ever having been registered against the land.

According to an abstract of Title dated the 18th of February, 1936, there is no quarter-section of land in the name of Mr. Peter Wutzke of Bow Island, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

APPLICATIONS FOR PATENT BY PERSONS WHO ARE
DEBARRED BY LAW FROM SECURING
NATURALIZATION.

METHOD OF OBTAINING CERTIFICATE IN FORM K.

(10 George V, chapter 13).

Paragraph "B" of Sub-Section 4 of Section 8 of Chapter 38, 10-11 George V, reads as follows—

"No certificate of naturalization shall, before the expiration of a period of ten years after the termination of the present war, be granted in Canada to any subject of a country which at the time of the passing of this Act was at war with His Majesty, but this provision shall not apply to a person who,

"(1) having served in His Majesty's forces or in the forces of His Majesty's Allies or of any country acting in naval or military co-operation with His Majesty was not discharged from such service by reason of his enemy nationality, sympathy or associations; or

"(2) is a member of a race or community known to be opposed to the enemy governments; or,

"(3) was at birth a British subject."

Any person affected by the above provisions who is the holder of homestead entry and who has completed the duties in connection therewith may now apply for a decision establishing that he is qualified and fit to receive such patent, to any Judge of any superior court, or to any Judge of any circuit, district or county court, and in the Northwest Territories, to such authorities or persons as the Governor in Council may prescribe.

The entrant in making such an application will be required to establish qualifications the same as in the case of ordinary application for naturalization.

Posting of application: The application shall be delivered at the office of the clerk or other proper officer of the court during office hours, and such application shall be posted by such clerk or other proper officer in a conspicuous place in the office. Such notice shall be posted up at least three months before the application is heard by the court.

Notice to Secretary of State: The Clerk of the Court or other proper officer shall transmit a copy of the application to the Department of the Secretary of State of Canada within ten days after the posting of the said notice.

Opposition to application: At any time after the filing of such application, and previous to the hearing of the application, any person objecting to the granting of

patent to the alien entrant may file in court an opposition in which shall be stated the grounds of his objection.

Proof of qualification: The applicant shall produce to the court such evidence that he is qualified and fit to be granted his patent under this Act as the court may require, and shall also personally appear before the court for examination unless it is established to the satisfaction of the court that he is prevented from so appearing by some good and sufficient cause.

Decision of court to be sent to Secretary of State: Upon the decision of the court being given a certified copy of such decision shall be submitted by the Clerk of the Court to the Department of the Secretary of State of Canada, together with the application and such other papers, documents and reports as may be required by any regulation made in this connection.

Issue of certificate: The Secretary of State of Canada may thereupon, in his absolute discretion, issue a certificate in form K that the said alien entrant is or is not qualified to receive a patent, and shall send the same to the Minister of the Interior.

Entry may thereupon be cancelled, or order issued for letters patent: Where it is certified by the Secretary of State of Canada that the holder of an entry for Dominion Lands is ineligible for a certificate, the Minister may forthwith cancel the entry, and all rights of the entrant in virtue thereof shall thereupon cease and determine, and if the Secretary of State of Canada certifies that the holder of an entry for Dominion Lands is eligible for a certificate, the Minister may forthwith issue letters patent for such land in his name or in the event of his death before the issue of letters patent for such land, in the name of the deceased in accordance with the provisions of section ninety-one of The Dominion Lands Act.

Any alien holding an entry on Dominion Lands who has completed the duties required by the Dominion Lands Act but is prevented by law from obtaining naturalization for a period of ten years after the war, should now apply to the proper Court for a decision as outlined above. He should also make application for patent in the regular way before the Agent of Dominion Lands, or Sub-agent for the district. In making such application for patent he should submit satisfactory evidence that he has applied for a Certificate in Form "K" as above outlined.

When the application for patent reaches the Head Office of the Department of the Interior at Ottawa, it will await the decision of the Secretary of State, and if a Certificate in Form "K" is issued the Department of the Interior will thereupon deal with the application.

If alien entrant fails to apply to court after notice, his entry may be cancelled: If any alien entrant, who has resided in Canada for five years fails to apply for a decision of the court within sixty days after the agent of Dominion Lands has notified him by registered letter addressed to him at his last known address, or at the address given on his application, and to the postmaster at the post office nearest to his homestead, directing him to make such application, the Minister may, unless the entrant has before the expiration of the said sixty days furnished evidence that such application

has been made, cancel the entry, and all rights of the entrant in virtue thereof shall thereupon cease and determine.

Provided only that the Minister may grant an extension of time to such entrant if on account of special circumstances he deems it equitable so to do.

Cases of doubt: It is likely that there will be a great many cases where doubt will arise as to whether the holder of an entry is a person entitled to apply for naturalization in the ordinary way or whether he is debarred from naturalization for a period of ten years as above indicated. No difficulty need be experienced on this point as both classes of persons will be required to make application for naturalization in the same way.

An alien entrant debarred from securing naturalization will fill out the same form and follow the same routine with the case of another person making an ordinary application for certificate of naturalization. All completed applications will be submitted by the Judge to the Secretary of State who will be in a position to assign to each applicant his proper status and will issue either a certificate of naturalization or a certificate in form "K" according to the circumstances.

To H.H.I. 24-7-10, W.4th N.

I am to acknowledge your letter of the 2nd instant, informing the Department of your inability this season to complete the cultivation duties requisite for obtaining patent for your pre-emption above mentioned, particularly on account of drought and requesting a further extension of time.

On the distinct understanding that you will make arrangements to have the work done next spring, the Agent of Dominion Lands at Lethbridge is being instructed by concurrent mail to hold over the cancellation proceedings until the 15th July next, on or before which date it will be necessary for you to attend with two witnesses at the Dominion Lands Office at Lethbridge or at a Sub-office for the district and make application for patent, furnishing proof of the required duties.

Should you be unable to complete payment of the purchase price you will be entitled to a Certificate of Recommendation after you have made application for patent, by virtue of which you would be enabled to mortgage, assign or transfer your interest in the land prior to the issue of patent and in that manner raise the necessary funds with which to discharge your indebtedness.

Memorandum.

Mr. Hume.

S.W.¹/₄ 24-7-10 W. 4th M.
Pre-emption - Paul C. Leibiger.
Entry granted 24th January, 1913.
.....

Cancellation proceedings were instituted against Mr. Leibiger's entry on the 16th June last for failure to make application for patent within five years from the date of entry.

In his defence he claimed residence from 1913 to 1919 on the homestead; House, value \$600.00; Barn for eight head of horses, \$300.00; Fencing \$150.00. He states that when he left in 1919 he had sixty acres in crop.

In answer to question 18 he states:-

"When I came to this country and took up the homestead I had over \$2000.00 and when I left I had hardly money enough to get away. Since that time I have been working out and as soon as I get money enough I pay for the pre-emption."

On the 26th September he was advised that cancellation proceedings would be held over until the 15th instant on the understanding that by that time he would have the required work done.

In a letter dated the 27th March Mr. Cuttle stated that Inspector Mayberry reported as follows:-

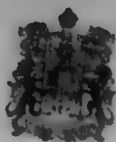

"I beg to report that there is no person on the land above referred to. There was some breaking which has gone back to grass. There has been no crop on the land for four or five years.

The neighbours claim that this entrant is somewhere in Calgary, Alberta, but are not in possession of his present address, and they do not think it is the intention of Mr. Leibiger to return to the land. His buildings were on the homestead."

In view of this report kindly say if the Agent should be instructed to cancel this entry.

Dear Sir:

Re: S $\frac{1}{4}$ 24-7-10-W. 4th Meridian.

This Department is in receipt of your letter dated the 6th instant having reference to a seed grain, relief and fodder account which you have against the above land granted to Paul Curt Leibiger in 1915 and 1919.

Kindly be advised that the SE $\frac{1}{4}$ 24-7-10-W. 4th Meridian is patented land while the SW $\frac{1}{4}$ 24-7-10-W. 4th Meridian comprises part of the land held under Grazing Lease No. 33322 by Edward Wutske of Maleb, Alberta, whose lease does not expire until October 1st, 1967.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose.

Re: Account of Paul C. Leibiger
S. 24-7-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain, fodder and relief amounting to \$237.20 were advanced to Paul C. Leibiger on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$237.20	\$543.45	\$780.65

Patent was issued in the name of Paul Curt Leibiger for the S.E. 1/4 24-7-10-W.4th on the 9th of March, 1921, subject to the liens. The S.W. 1/4 24-7-10-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is described as only suitable for pasture purposes and it is unlikely that it will ever be used for any other purpose. In 1924 the homestead inspector reported that no one was farming the land.

Title to the S.E. 1/4 24-7-10-W.4th has since reverted to the Municipal District of Forty Mile No. 64, under the Tax Arrears Act and is still vacant and no longer being operated. The S.W. 1/4 24-7-10-W.4th is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently included in a grazing lease issued in the name of a Mr. Edward Wutske of Maleb, Alberta, whose lease does not expire until October 1st, 1967.

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Re: account of Ole Tollef Johnson,
Land 14 & 5, 2, 3, 4-12-54.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Ole T. Johnson received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$1,560.67 of which \$522.36 is principal and \$1,038.29 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$722.65 were advanced to Ole T. Johnson on the security of the S.E. 34-4-12-W.4th and later the liens became attached to the N.E. 14-4-12-W.4th. In 1915 a payment of \$205.55 was received and applied to principal and interest. The present standing of this account is as follows:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$522.38	\$1,068.29	\$1,590.67

In reply to our recent inquiry concerning the Federal indebtedness charged against the land, Messrs. Moscovich, Moscovich, Spanos and Matisz, Barristers and Solicitors, Oliver Block, Lethbridge, Alberta, on the 28th of February, 1956, wrote:-

"Your letter dated February 15th addressed to Ole Toller Johnson of Goddard, Alberta, has been referred to us with instructions to reply.

Mr. Johnson is now 80 years of age and is now in hospital at Lethbridge, Alberta. He has been in the hospital since November, 1955 and we cannot tell when he will be discharged because he is suffering from a serious heart condition and the hardening of arteries. In addition, Mr. Johnson appears to be suffering from lapse of memory and his mind does not appear to be clear.

Under these conditions, we have accepted instructions from his wife, Mrs. Bertha Johnson and his son, Orvin Johnson. It appears that Mr. Johnson is not in financial position to make any immediate offer of settlement. He has no money and what little money he will receive from wheat belonging to him by way of rent will have to be used to pay hospital and doctor bills.

Mr. Johnson has not farmed his land in many years. His land has been leased and the returns have not been as great as one might expect. Mrs. Johnson is grateful to the Government of Canada for the help which was given to her husband and herself in 1915 but unfortunately, because they have no money, she is not able to make more than a token offer of settlement and the offer is as follows:

Mrs. Johnson, on behalf of her husband, will pay \$100.00 in full settlement of this account.

Will you kindly take this matter into consideration and let us have a reply at your convenience."

Information received from the Secretary-Treasurer of the Rural Municipal District No. 2, Foremost, Alberta, on the 21st of July, 1952, indicates that the assessed value of each quarter-section is only \$650.00.

After negotiations the nominal sum of \$100.00 has been received in full settlement of our account. Under the circumstances and in view of the previous payment, this is considered equitable.

Re: S.W. 16-4-11-W.4th.

We have your letter of the 8th of April, 1953, asking for the usual up-to-date statement in respect to the account of Oscar H. Wright charged against the above land.

Our files show that this account was considered by the Seed Grain Advisory Board in 1945 and the Dominion and Joint Dominion and Federal advances were written off under Order in Council P.C. No. 69-2247, dated the 4th of April, 1945.

Your files 2049509 & 2047925

With reference to your letter of the 24th ultimo a recent search letter indicates that title to the S.E. 16-4-11-4 is still subject to liens registered as security for Joint Relief Advances granted to the above party through the former Municipal District of Burlington No. 24.

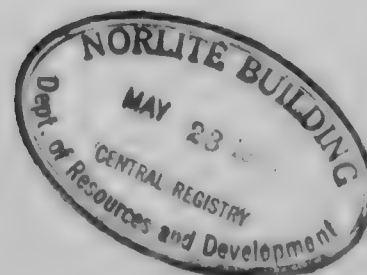

In your letter you advise that both the Dominion and Joint Dominion-Provincial advances were dealt with by the Seed Grain Advisory Board in 194 and were written off, under P.C. No. 69-2247, dated April 4th, 1945. We have been unable to locate the Board Order in this respect, issued by the Seed Grain and Relief Adjustment Board, and it would be greatly appreciated if you would kindly advise the Board Order number in order that we may establish the authority under which the Joint Dominion-Provincial Account was written off.

Dear Sir:

Re: S. 16-4-11-W.4th.

This will acknowledge your letter of the 20th of May, 1953, informing us that you have been unable to locate the Board Order writing off the indebtedness charged against the above land in the name of Oscar H. Wright.

On re-checking the original Board Order No. 8530 dated the 26th of January, 1945, your file D-K-74, it would appear that only the Federal liens of Oscar H. Wright were discharged and the Joint liens referred to in this Board Order were for the account of William Kartzweg.

We have not been able to locate any outstanding Joint account, however, in the name of Oscar H. Wright.

Any inconvenience caused by our error in our previous letter is regretted.

The debtor is now deceased and it is therefore impossible to realize any recovery under the personal covenant.

The above parcel was the debtor's pre-emption entry which was cancelled and on which land a homestead entry was subsequently granted to another individual. Title has now been issued to this entrant whose solicitors have approached this office with a view to having title cleared of the liens referred to above.

In view of the demise of the debtor and the fact that he never established any equity in this parcel of land it is my recommendation that the relative liens be discharged from title to M. 19-7-11-W.4th.

Provincial Seed Grain Advances in the amount of Three hundred and seventy-eight dollars and sixty cents (\$378.60) together with accrued interest have already been cancelled.

Re: Account of Frank Unser
W. 19-7-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

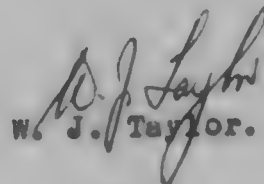

In 1920 seed grain amounting to \$241.50 was advanced to Frank Unser on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$241.50	\$608.63	\$850.13

Patent was issued in the name of Frank Unser for the S.W. 1/4 19-7-11-W.4th on the 10th of March, 1913. The N.W. 1/4 19-7-11-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and on which a homestead entry was granted to another individual and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 26th of January, 1956, the S.W. 1/4 19-7-11-W.4th now stands in the name of Credit Foncier Franco-Canadien, clear of any encumbrance; while the N.W. 1/4 19-7-11-W.4th now stands in the name of a Mr. Anton Unser of Foremost, Alberta, also clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the indebtedness be cancelled.

There has been received by the Department your declaration of the 22nd ultimo, filed with the Dominion Lands Agent at Lethbridge, being a statement of the settlement duties performed in connection with your homestead above described, and therein claiming the performance of sufficient in that regard.

In that five years has now elapsed from date of entry it is expected that upon the first opportunity you will make formal application for patent.

For this purpose it will be necessary to appear with your witnesses before the Dominion Lands Agent or a Sub-Agent for the district.

This action can be taken notwithstanding the fact that you may not at present be in possession of your Certificate of Naturalization as a British subject. Patent, however, will not issue until the receipt of a certificate in this regard.

Your obedient servant,

J. A. L. S.

Assistant Secretary.

Seed Grain Advisory Board.

Re: Account of Ludwig Schmidt
N.W. 28-8-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to \$155.25 were advanced to Ludwig Schmidt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 155.25	\$ 347.36	\$ 502.61

Patent was issued in the name of Ludwig Schmidt for the N.W. 28-8-11-W4 on the 29th of October 1920, subject to the 1920 liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Bow Island No. 13.

The Municipality has been unable to dispose of the land by sale. It is still vacant and no longer being operated. There is an accumulation of \$589.94 arrears of taxes outstanding against this quarter section. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

As security for the Dominion Advances Liens are filed against the N^o. 34-6-10-4 and the N^o. 27-5-10-4 and constitute an indisputable first charge against the property.

The Joint Relief Advances charged against the N^o. 27-5-10-4 come second to the Dominion Liens. There are no other charges against these properties other than Covenants registered by the Municipal District of Burlington No. 34, under The Tax Recovery Act.

Mr. Strain has made application under the Farmers' Creditors Arrangement Act for an adjustment of his liabilities and in his proposal requests that all of the above indebtedness be written off, but I am unable to make any such recommendation to your Board.

The statement of affairs, compiled by Mr. Strain on application under the Farmers' Creditors Arrangement Act, shows taxes due to the Municipality in the sum of \$5,575.45, in addition to the above liens; also an indebtedness of \$1,000.00 to the Department of Lands and Mines of the Province of Alberta, representing the balance of the purchase price of the N^o. 34-6-10-4.4th and the N^o. 11-6-10-4.4th; the only other indebtedness being a claim of the International Harvester Company in the sum of \$600.00, due on machinery purchased.

The Secretary-treasurer of the Municipal District of Burlington, No. 34, has supplied me with a statement of the taxes and the assessed value of these

- three -

properties, which is set out hereunder:

<u>Land</u>	<u>Tax Arrears</u>	<u>Assessed Value</u>
34 27-5-10-4	\$ 1,597.66	\$ 2,000.00
34 24-6-10-4	2,825.99	930.00
34 24-6-10-4	<u>1,315.22</u>	<u>1,150.00</u>

	<u>\$ 5,049.63</u>	<u>\$ 6,650.00</u>
34 24-6-10-4	253.79	610.00
34 11-6-10-4	384.83	1,110.00

The Statement of Affairs further discloses the fact that Mr. Strain raised 1,000 bushels of wheat in 1939, 3,000 bushels in 1940 and 2,400 bushels in 1941.

In view of the foregoing, it is hard to see how the debtor can expect to be relieved of his liabilities in respect of the indebtedness herein set out. It is quite true that he is farming in a district which is severely hit by both drought and hail periodically, but it is also reasonable to assume that during the years which have transpired since these advances were made, he must, at some time, have been in a position to have made some payment. Furthermore, the Dominion liens in particular constitute an absolute first charge against four quarter-sections of titled land, which have, with improvements, a value of over \$6,000.00.

I do not believe that it would be the desire of either the Dominion or Provincial Governments to stand

—continued—

in the light of a proposal being formulated by the Board of Review which might give Mr. Strain an opportunity to get back on his feet. There is no doubt but that there will be a very large reduction provided for in the matter of his tax bill, and it is noted that he has requested a reduction in the account due the Department of Lands and Mines of over 50%. I am of the opinion that in view of all the circumstances surrounding this case that the principal amount under the Dominion liens in the sum of \$444.93 should be paid, with further payment of the Joint Relief liens of \$285.85, making in all a sum of \$730.00.

In consonance with all proposals formulated by the Board of Review, it is expected that any sum apportioned to this account will require to be paid by annual installments, but I would recommend that upon application of the sum of \$444.93 to the Dominion liens, and \$285.85 to the credit of the Joint Relief liens, all the Dominion and Joint Relief liens be removed from title to all these properties and the balance of these accounts written off.

Yours very truly,

Heard at Medicine Hat, Alberta,
the 30th day of March, A.D. 1943.

The Applicant duly filed with an Official Receiver, as required by the Act, a proposal for a composition, extension of time or scheme of arrangement with respect to his liabilities but an agreement, contemplated by the Act, not having been reached with all of the Applicant's creditors at the statutory meeting convened by the Official Receiver, the Applicant thereupon duly filed a written request that the Board endeavour to formulate an acceptable Proposal to be submitted to him and to his creditors.

Pursuant to notice given to the Applicant and to his creditors as disclosed, the Board has duly heard and considered representations made by or on behalf of the Applicant and those of his creditors who appeared either in person or through a Solicitor or agent or who made representations in writing.

The Board finds that the Applicant is a farmer within the meaning of the said Act, that he is unable to meet his liabilities as they become due and that he is entitled to the benefits of the Act.

The Board bases the undermentioned proposal upon the present and prospective capability of the Applicant to perform the obligations prescribed, and the productive value of his farm.

Nothing contained in this proposal shall be deemed to revive or give validity to any debt in respect of which payment is at this date barred by the Statute of Limitations of the Province of Alberta.

The terms and provisions of all existing securities and documents relating to or evidencing any indebtedness of the Applicant to any of his creditors named herein, including any right of acceleration on default shall continue in full force and effect, except as hereby expressly modified.

Whenever the singular and masculine are used throughout this proposal with reference to the Applicant or Applicants, the same shall be construed as meaning and including the plural or feminine, where the context or the number or gender of the or parties hereto so require.

The Applicant shall have the privilege of prepaying the whole or any portion of any moneys payable under this proposal at any time without notice or bonus upon first paying any arrears accrued hereunder.

This proposal shall not without the concurrence of the creditor apply in the case of any debt incurred after the 1st day of May, 1935.

At the hearing before the Board of Review the following were present in person or represented:

The Applicant was present in person.

PROPOSAL.

THE BOARD ACCORDINGLY FORMULATES THE FOLLOWING PROPOSAL FOR SUBMISSION TO THE DEBTOR AND THE CREDITORS:

We are enclosing a copy of a letter received from Mr. William C. Strain, 2715 - 4th Avenue South, Lethbridge, Alberta, concerning his account charged against the above land.

As there are seed grain liens Nos. 4548 C.W. and 4549 C.W. charged against his land by the Municipal District of Burlington No. 34 as of the 10th of September, 1920, we believe that he will also wish to have them included in whatever settlement is proposed.

It would be appreciated if you will investigate this case and advise Mr. Strain as to the minimum amount required to settle both our claims.

Dear Sir:

Re: S.I. 27-5-10-W.4th

We wish to thank you for your letter of the 5th of March, 1956, informing us that if payment is made on your account charged against the above land, it will have to come out of your Old Age Pension.

A recent Abstract of Title shows that in addition to our liens there are seed grain mortgages registered against your land by the Municipal District of Burlington No. 34.

As we believe that you will wish to have a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having these mortgages included in whatever settlement is made. We expect that he will write to you within the next few days.

Hon. Sir,-

I write to beg extension of time for payment of interest on pre-emptions to wit: S. W. 3-8-10-4 B. F. Sewell (myself) S. W. 2 - 8 - 10 - 4 - Roy N. Sewell (my son), S. W. 10 - 8 - 10-4 Pay M. Sewell (my son). We did not know until this date that interest must be paid on date due to protect our filings. Having recently lost my wife by death my assets are all tied up in probate proceedings in Idaho, U. S. A., so I cannot use any of it until the state is closed (about 8 months hence). This unfortunate state of our affairs puts us in hard financial straits in view of present needs and the demands of the spring season close at hand. We therefore, pray for an extension of time, for one year if possible, otherwise at least 8 mos.

Your humble petitioners.

Sir,

I beg to acknowledge the receipt of a statutory declaration filed by you in defence of the cancellation proceedings pending against your homestead and pre-emption entries for the W. 1/2 of 2--2--10--W. 4th Meridian, and in reply to say that in view of your representations the proceedings referred to will be held in abeyance until the 15th July, 1911.

It will, however, be necessary for you by the date mentioned to file evidence with the Agent of Dominion Lands at Medicine Hat that you are then in good standing with respect to the performance of the requisite residence duties and that you have twenty-five acres broken on the half-section and I am to warn you that failure to fulfil this requirement you will render your entries liable to cancellation without further notice.

Sir:

I beg to acknowledge the receipt of your declaration filed here in further defence of your homestead and pre-emption the West $\frac{1}{2}$ of 2 - 8 - 10 W. 4th N., and in reply to say from the information furnished it would appear you have performed certain improvements on your land but are in default in regard to the residence duties. This is very unsatisfactory in view of the fact you held entry for this land since the 11th January 1910.

However, in view of your representations it has been decided to hold over the cancellation proceedings now outstanding against your Half-Section for a period of thirty days from this date, when it will be necessary for you to satisfy the Agent of Dominion Lands at Medicine Hat that you are then in actual bona fide residence upon your land with the intention of remaining there and faithfully complying with the Regulations.

The aforesaid Agent will report here at the expiration of that time, and I am to warn you that should it be found that you are in default you may probably lose your land.

Adverting to my letter dated the 21st August last, in connection with the cancellation proceedings instituted against your entries as above described, I beg to say that the Agent of Dominion Lands at Medicine Hat reports failure on your part to furnish him with evidence of continuous residence on the land.

While the statutory declaration executed by you on the 29th July last, was satisfactory, so far as it went, the Department must insist upon you furnishing the said Agent with a further statement showing that you have continued to live on your half-section, and intend to remain there and comply with the regulations.

The Agent will again report in thirty days, and if he has received no word from you your entries will probably be cancelled.

N.W. 1/4 2-8-10-W. 4th M. - Homestead.
S.W. 1/4 2-8-10-W. 4th M. - Pre-emption.
Entries of Roy M. Sewell.
Entries granted 1st November, 1917.
Cancellation proceedings outstanding
against pre-emption.

Mr. Sewell first obtained entries for these lands on the 11th January, 1910. He abandoned them and re-entered for them on the above dates. He has made an application for patent for his homestead, claiming sufficient duties as set forth on form No. 58A on the homestead file. (marked). No further action was taken in connection with this application as he failed to submit his Certificate of Naturalization as a British subject.

Cancellation proceedings were instituted against his pre-emption entry on the 18th July, 1921, on behalf of an applicant for inspection. In his defence of that year he claimed 202 acres broken and a satisfactory area under crop in each year.

On the 15th July, 1924, a Homestead Inspector reported that the entrant was at that time residing in Idaho, U.S.A. The only improvements consisted of a frame house valued at \$25.00 and the half-section all fenced, in poor repair, \$50.00. All the breaking on the pre-emption has gone back to sod, but no mention is made of the homestead.

Mr. Sewell has failed to make the necessary payments in connection with his pre-emption and is indebted for seed grain and relief amounting to a principal of over \$900.00.

In view of the information received, I would recommend that his pre-emption entry be cancelled and that the Agent be instructed to institute cancellation proceedings against his homestead on account of his failure to file a Certificate of Naturalization.

*Take this
action first, and both entries can be
cancelled together if he fails to
comply*

Our annual statement covering the above indebtedness addressed to the lienor at File Lake, was returned by the postal authorities.

The Secretary-Treasurer of the Municipal District of King, answering this office query of the 9th ult., advised that the land is still assessed in the name of Thos. H. Golden, but that his present postoffice address is unknown.

I would suggest, therefore, that this case be placed on your Homestead Inspector's list as one requiring a report next summer, as there is a possibility that the land may then be placed under cultivation.

I have your letter of the 21st instant in regard to the South West quarter of Section 22, Township 5, Range 10, East of the 4th Meridian, the pre-emption of William A. Carnagan. As indicated in your letter, cancellation proceedings were instituted against the entry for failure to complete the payments and in the absence of a defence the entry was cancelled in April last and the land posted for grazing purposes.

However, it would appear that the land is still vacant and the Agent is being instructed to reinstate Mr. Carnagan in his entry. The cancellation proceedings against the entry will be revived, but will be held over for a reasonable period to give Mr. Carnagan an opportunity of applying for a Certificate of Recommendation or making a substantial payment.

Dear Sir:

With reference to the preemption of William A. As I have been unable to get in touch with Mr. Carnagan, and am not certain whether I can do so within the time allowed, I would request on his behalf that the time be extended to October First.

Re: Account of William A. Carnagan,
W4 22-5-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. William A. Carnagan received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$1,248.78 of which \$410.30 is principal and \$838.48 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

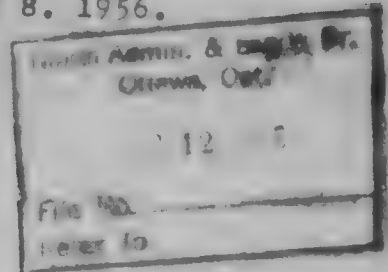

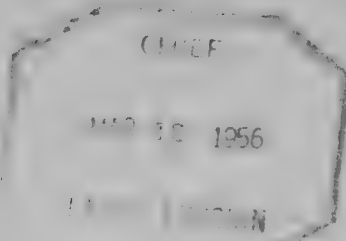

J. LeCapelain

Dear Sir;

// Your letter of Jan. 24th. has only now been forwarded to me from Nemiskam, Alta. The land in question I bought from my fellow homesteader in 1915.

I have for years been under the impression that the unrepaid advances to the early settlers for seed grain and relief had, as a matter of Government policy, been forgiven long ago.

That no reminder of the debt, with its accumulating interest, came from Ottawa all the intervening time seemed to confirm this.

To be unexpectedly asked now, in the retirement of old age, for settlement in an amount more than three times that of the original debt seems a hardship and not quite fair.

Admittedly the onus was on the debtor but would any other creditor, who intended ever to collect have let forty years pass with never a reminder of the mounting claim?

I will willingly pay the amount of the original loan but would respectfully ask the Board for a substantial reduction in the interest. //

Yours truly,

Re: Account of Wm. Allen Carnagan
Wt 22-5-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to \$410.30 were advanced to Wm. Allen Carnagan, on the security of the N.W. 22-5-10-W.4th and later the liens became attached to the S.W. 22-5-10-W.4th. No payment was ever made on this indebtedness until the sum of \$410.30 was received when the standing of the account was:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$410.30	\$838.48	\$1,248.78

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Mr. Perren E. Baker, 4677 Bellevue Drive, Vancouver 8, British Columbia, on the 8th of March, 1956, wrote as follows:-

"Your letter of Jan. 24th. has only now been forwarded to me from Nemiskam, Alta. The land in question I bought from my fellow homesteader in 1915.

I have for years been under the impression that the unrepaid advances to the early settlers for seed grain and relief had, as a matter of Government policy, been forgiven long ago.

Admittedly the onus was on the debtor but would any other creditor, who intended ever to collect have let forty years pass with never a reminder of the mounting claim?

I will willingly pay the amount of the original loan but would respectfully ask the Board for a substantial reduction in the interest."

In 1952 the assessed value of these two quarter sections was only \$1,000.00 each.

The sum of \$410.30 representing the principal has now been received in full settlement of our account. In view of the extenuating circumstances and the fairly low value of the land, this is considered equitable.

Gentlemen ;

Re Homestead Entry, S. E. 1/4 Sec. 31, 6, 10, T. 4th.

Geo. H. Sisworth filed on above quarter in June, 1916.

1916 broke 50 acres. 1917 cropped 50 acres

1918 broke 50 acres and cropped 50 acres

1919 cropped 115 acres.

1917 bought S. 1/2 Sec 6, 7, 10, crop payment plan.

Has paid to date \$1284. on same.

Has made his home continuously on S. E. 1/4, Sec 6, 7, 10 since June 1916.

Crop failure last year and very good prospect of same this year.

He wishes to make final proof on homestead so that in case of failure he can make some arrangements for funds to carry him over another year without having to depend on Govt. aid.

Question, has he made sufficient payment on home place to entitle him to Title on Homestead ?

Yours Truly,

C. Whitney

Dept. of the Interior

Attorney Gen.

Dear Sir,

In June 1916 I
filed on S.W. 1/4, Sec. 31, Township 6
range 10 West of 1st, as homestead
I was living on E 1/2 of Sec. 6 Township
7 Range 10 West of 1st, having same
rented at that time. In Jan. 1917
I purchased E 1/2-6-7-10. on crop payment
paying \$500⁰⁰ down, purchase price
being \$600⁰⁰. In 1916 I broke 50
acres on my homestead. In 1917 I
seeded it. no more broke. In 1918
I seeded 51 acres and broke 65 acres
more, thus bring all available land as
balance runs into Coulee. In 1919
I seeded all 115 acres. During those 3
years I have reaped nothing except
in 1917 I got the seed back, through
drouth. Since purchasing E 1/2-6-7-10
I have broken 115 acres fenced and
cross fenced it but owing to 3 year
drouth I have not been able
to pay anything on principal. Interest

only being paid each year.
I would like very much to get
the Patent for my homestead as
I could take out a loan on it. It has
become necessary that we get assistance in
some way. I have done my part faithfully
I have resided here continually since filing
in homestead. but owing to the terrible drought
I have not been able to get $\frac{1}{3}$ of purchased
price paid or required by regulations
I want to know if the Department will
consider this. If I can satisfy the Land
Office on all other points but $\frac{1}{3}$ purchase
price paid, would it grant me the
Patent.

This is due consideration
I have a wife and four small children,
also 480 acres of land to support, and am
badly in need of assistance just now.
As before stated I can take out a loan
on homestead if I could obtain Patent
and firmly believe this would be a good
way for the Department to help out.

Hoping you will give me your full
consideration

Yours Sincerely
W. H. Sigeworth

Mr. Hume.

S.W. 1/4-31-6-10-W.4th M.
Homestead of George H. Sigsworth.

Please see form 458 hereunder, (marked) and note the good improvements and large acreage under cultivation, and also that residence in connection with this homestead, was performed by living on purchased land, the S.E. 1/4-6-7-10-W.4th M.

The point is, will you accept the agreement of sale on file, as being proof of ownership of the above described quarter-section.

This agreement, under date the 27-1-17, quotes the selling price of the E. 1/4-6-7-10-W.4th M. as \$8100.00, \$500.00 to be paid down, and the balance as, 1/3 of the crop grown on the said land until \$5600.00, and interest thereon has been paid in full.

It would appear that only \$1284.00 has been paid which is, as you will observe, not one-third of the purchase price.

In view of the good improvements which are on this quarter-section, and the exceptionally large area of cultivation, please state if you will accept this agreement of sale as being proof of ownership of the required quarter-section.

Dear Sir

About two months ago I received notice that my application for patent for my "homestead" had received approval. I have not yet even received notice that patent has been issued. If there is anything you can do to push this through it will be very highly appreciated. Being to crop land in just three years we are in a bad way. We have no seed and are still having a very early winter and our livestock are in a critical condition. I can get a loan on my homestead if I had my patent so with things almost here and no money to buy seed, feed or quit you can form some idea how anxious we are looking forward to getting patent. Hoping you will use your influence on our behalf. I am, Yours respectfully, G. H. Sigworth Foremost, Alta.

S.E. 31-6-10 W.4th Mer.

This is the homestead of George Milton White, patented in his name on the 4th November, 1913. A mortgage in favour of the Canadian Mortgage Investment Company was foreclosed in 1916, and under date of the 23rd June, 1917, W. F. Nelson and Company, Lethbridge, Alberta, wrote requesting that the Department draw on U. A. Wiltse, Foremost, Alberta, for the amount due under the liens given against this land. As this was not in accordance with the practice of the Department, a statement showing the amount due was furnished Messrs. W. F. Nelson and Company, the request having been for a draft with discharges of the liens attached. Mr. Wiltse wrote in 1921, referring to this request, stating that he had honoured all drafts presented in connection with the foreclosure, and turned the papers over to Mr. Nelson, now deceased. He was advised that as it was not possible to issue discharge until the liens were paid, Mr. Nelson had been furnished with a statement of the amount due, and nothing further had been done in the matter.

The land was purchased by James Houlston, who claims that he made all arrangements for a clearance of the liens at the time.

S.W. 31-6-10 W.4th Mer.

This was formerly the pre-emption of George M. White, whose entry was cancelled on the 9th June, 1916. On the 14th June, 1916, G. H. Sigworth secured entry for this quarter as a homestead, and in accordance with the practice at that time, he was not required to assume the seed grain, fodder and relief indebtedness of the former entrant; this quarter, therefore, affords no security.

Re: Account of Jos. Lynn
N.E. 1/4 1-8-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to \$137.50 was advanced to Jos. Lynn on the security of the above mentioned land. A payment of \$117.45 was received in 1928 and applied to the principal and interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$95.97	\$182.40	\$278.37

The N.E. 1/4 1-8-10-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled. The land was re-entered upon by a Mr. R. V. Erickson to whom patent later issued, and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 2nd of February, 1956, this quarter-section of land now stands in the name of a Mr. Roy Vernon Erickson of Maleb, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.
